

KENSINGTON BOARD OF HEALTH ANNUAL MEETING  
95 Amesbury Road  
MONDAY April 18, 2022 – 6:30pm  
Minutes – DRAFT

In attendance: B. Solomon, Board of Health Officer; B. Gustafson, Assistant Board of Health Officer; J. Pace, Chair.

At 6:30 J. Pace called the meeting to order for the Board of Health.

J. Pace noted per NH RSA the Board of Health is required to meet once a year. J. Pace asked the Health Officer if the Health Office had any outstanding items, to which B. Solomon stated he did not. J. Pace then asked the Fire Chief if he had any concerns. J. Pace noted there was a reporting requirement for readiness assessment that is submitted to DHHS which has questions about a preparedness plan and survey. The Board discussed possible action items. J. Pace noted that in previous years the Town offered free test kits for water.

At 6:33pm J. Pace closed the annual meeting of the Board of Health.

Respectfully submitted,

Andy Clarke
