## NEW PLOT ESTABLISHMENT FORM EXPLANATION

---

This form establishes a new plot in the Kensington Cemetery and grants the below-named individual the right to determine who may be buried in the plot, up to the limits of the available space as determined by the Kensington Cemetery Trustees.

The possessor of the right to determine who may be buried in the plot (“Possessor”) may grant permission for burial to himself or herself, or anyone of their choosing, regardless of relation to the other individuals buried in the plot. This permission shall be granted by way of a written statement that accords with any applicable Regulations established by the Town of Kensington Cemetery Trustees.

In accordance with NH RSA 290:24, the Right to Burial may be transferred by the Possessor to another person by means of a signed statement, which may include a valid Last Will and Testament or a Trust Agreement.

If the Possessor dies without clarifying transfer of the Right to Burial in one of the above written instruments, the right is presumed to devolve upon the next of kin in accordance with New Hampshire NH RSA 561:1, applicable Regulations of the Town of Kensington Cemetery Trustees, or a determination by a court of competent jurisdiction. See “Kensington Cemetery Right to Burial Claim Form” for instructions regarding claiming burial rights in an existing cemetery plot.
