

# 2012 Annual Report

TOWN OF KENSINGTON, NH INCORPORATED 1737

www.town.kensington.nh.us

275TH BIRTHDAY

The Board of Selectmen would like to dedicate the 2012 Annual Report to our new Municipal Fire Department.

They would like to recognize all of the volunteer members of the fire department who have worked for many years to keep our residents safe. They have tirelessly taken time out of their personal lives to help our community members whether it be showing up for an ambulance call or fighting a fire during the day or overnight. They attend many meetings, trainings and keep the fire house in working order.

The next time you see one of our volunteer firemen or EMT's, be sure to thank them!

### Selectmen's Letter

### State of New Hampshire Cown of Kensington

95 Amesbury Road Kensington, NH 03833

2012 presented some difficult issues and exciting change for Kensington. The Board of Selectmen is challenged each year with many issues that require balancing the budget and making decisions in the best interest of all residents of Kensington.

The Board was thrilled to welcome Police Chief Mike Sielicki to the Town of Kensington last May. He comes to Kensington with many years of police enforcement experience and has an impressive resume, most recently Police Chief in Rindge, New Hampshire. In addition, Chief Sielicki will be sworn in on June 15, 2013 as the next President of the NH Association of Chiefs of Police. He has been very visible in Town and immediately took charge of the current police force and became acquainted with the Town limits. We are very fortunate to have someone with his qualifications protecting our Town. Also, the Fire Department made the transition to a municipal Fire Department to ensure that all volunteers are afforded the proper insurance protection while they serve the Town.

As you know, taxes this past year increased and the 2013 budget has a proposed increase. These decisions are not easy but the Board of Selectmen works hard to make sure the budget is realistic. Taken as a whole, the budget increase is mostly due to the Town wide revaluation that will happen this year.

The Town Hall building occupied much of the Board of Selectmen's agenda this year. The Board has been diligent gathering as much information as possible to make informed decisions on how to proceed with the building, focusing on safety and the budget. The Board has been cautious in making decisions to determine the long term result is in the best interest of the Town. At the forefront of our decision will be to provide a safe working environment for all Town employees. To that end, in the short term, the Town Offices were relocated to 243 Amesbury Road. The next focus is to relocate the police department to a more permanent facility, certainly one with running water and a bathroom.

The Board appreciated the voters' support last year in raising the road maintenance warrant article once again to \$200,000.00. Due to the economy, the amount had been decreased in previous years. By continuing to upkeep the roads, it cuts down on the maintenance in the budget line item over the long term. This year roads in Kensington Farms were redone and the final coat was put on Stumpfield Road to preserve the work that had been done the year before. Much roadside tree work was able to be done this year as well as other road projects due to the small amount of snow last winter. The tree work will help in the event of unusual storms like the ones we have had in the last couple of years that have resulted in long power outages.

The Board of Selectmen works best and most effectively with constant feedback from its residents. The Town of Kensington has an amazing community of residents which makes it a great place to live. Thank you to all Town of Kensington elected officials, employees and volunteers. Your time, dedication and enthusiasm contribute greatly to Kensington's charm and character.

Respectfully Submitted,

Stefanie Johnstone, Chairwoman

Russell Perry

Kevin Rosencrantz

# Trash & Recycling

### TRASH PICKUP EVERY TUESDAY BEGINNING AT 6:30 AM

AS OF FEBRUARY 4, 2013, TRASH AND RECYCLING PICKUP WILL FOLLOW THE SCHOOL CLOSING SCHEDULE AND PICKUP WILL BE DELAYED A DAY. PICKUP WILL NOT BE AFFECTED IF THERE IS A DELAYED SCHOOL OPENING.

- 1. Waste must be contained in plastic bags or trash barrels, not to exceed a capacity of 32 gallons. Cardboard boxes may not be used.
- 2. Waste must be placed at the end of the driveway by 6:30 a.m. on Tuesdays.
- 3. Weight of any container must not exceed 50 pounds.
- 4. Each 32 gallon container/bag must have a Kensington trash sticker affixed to it (for barrels containing non-bagged items, affix sticker to top item in the barrel). Stickers are available at the Town Offices.
- 5. No brush or stumps will be picked up and no 55 gallon drums are to be used.
- 6. Residents may dispose of bulky items and other items that cannot be included with trash, such as motor oil, at the Raymond Transfer Station, Monday thru Saturday 8 am to 4 pm. Disposal of these items will require payment of fees. Fees and directions are posted on the Town's web site or you can call Bestway Disposal at 895-6273. James R. Rosencrantz & Sons located at 184 South Road accepts used waste oil. You may bring it in a sealed container during their regular business hours M-F 8am-5pm.

#### RECYCLING

The 1st and 3rd Tuesdays are for paper products. The 2nd and 4th Tuesdays are for plastic, cans, bottles, etc. There is no recycling pick up on a 5th Tuesday. For 2013 this will affect the months of January, April, July, October and December.

ф

LICENSING OF DOGS

Each owner of a dog four months old or over must license the dog with the Town Clerk before May 1st of each year. By law, dogs age 4-7 months old must receive a Rabies Vaccination. The certificate of vaccination is to be presented to the Town Clerk at the time of licensing. Each dog must wear a collar around its neck; attached to the collar a metal tag distinctly marked with its license number.

License fees are as follows:

Female \$9.00 Male \$9.00 \$6.50 Neutered Male Spayed Female \$6.50 Seniors Citizen's Discount (65 or older): First Dog (only) \$2.00

Penalties: \$25.00 Fine after Mid June + Licensing Fees \$1.00 added each month after June 1st until dog is

registered

#### **JUNK CAR REGULATIONS**

New Hampshire Statute requires anyone with two or more unregistered vehicles or old cars no longer intended or in condition for legal use on highways or used auto parts equal in bulk to two vehicles must obtain a license or be subject to a \$10.00 a day fine and a mandatory injunction to end the violation by Selectmen. New and used car dealers registered as such are not considered auto junk dealers but must remove junk cars from their permises within 180 days. 币

# TOWN WARRANT THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Kensington in the County of Rockingham in said State, qualified to vote in Town Affairs:

#### FIRST SESSION:

You are hereby notified to meet at the Kensington Elementary School Multi-purpose Room, 122 Amesbury Road, in said Kensington on Wednesday, the sixth day of February 2013, at 7:30pm for the purpose of transacting all business other than voting by official ballot.

#### SECOND SESSION:

You are hereby notified to meet thereafter at the Kensington Elementary School Multipurpose Room, 122 Amesbury Road, in said Kensington on Tuesday, the twelfth day of March 2013, to elect officers, vote on zoning articles and to vote on all warrant articles from the session by official ballot. Polls will be open from 8:00am to 7:30pm.

**ARTICLE 1:** To choose all necessary Town Officials for the year ensuing.

**ARTICLE 2:** Are you in favor of the adoption of the amendment of Chapter V, Article 2.3 A.4 and A.5 as proposed by the Planning Board for the Kensington zoning ordinance as follows?

### Article 2.3 Submission of Information (Amended 3-10-2009)

- A. All Permit applications shall be accompanied by the following information:
  - Driveway location, entrance, exit or approach. The location shall be selected to most adequately protect the safety of the traveling public;
  - 2. Drainage improvements, such as culverts or swales, and any channelization to be installed by the applicant;
  - Proposed grading that adequately protects and promotes highway drainage and permits a safe and controlled approach to the road in all seasons of the year.
     Driveways shall pitch away from all town roads and private roads, for ten feet at a grade not less than 2%; and
  - 4. All driveway permit application shall show the exact location of the driveway and the presence of wetlands per the town's wetland ordinance and or regulations.
  - All permits to be submitted to the town seven or more days before the scheduled Planning Board meeting.

Recommended by the Planning Board

**ARTICLE 3:** Are you in favor of the adoption of the definition of Road Frontage as proposed by the Planning Board for the Kensington zoning ordinance as follows?

### ROAD FRONTAGE DEFINITION-

The length of the lot bordering on and providing access to a Class V (or Better) highway but excluding limited or restricted access highways, or a street, as defined and as used in Title LXIV, Planning and Zoning, of the Revised Statutes Annotated, shown on a plat approved by the planning board. Footage requirements as specified by this ordinance shall be continuous. In the case of corner lots, frontage and front lot lines shall mean the dimensions and lines on both intersecting streets.

Recommended by the Planning Board

**ARTICLE 4:** Are you in favor of the adoption of the amended commercial and industrial use district as proposed by the Planning Board for the Kensington zoning ordinance as follows?

The Commercial and Industrial Use District (CI District) is outlined on the Official Town Zoning Map and are defined below using 2012 property tax map and parcel numbers. All properties not listed below, or depicted on the Official Zoning Map as part of the CI District shall be considered to be located within the Residential and Agricultural use District (RA District).

#### A. Description

The Commercial and Industrial District (CI District) is defined using 2012 Property Tax Map and Parcel numbers for each property located within this district. The following is a list of properties, or parts thereof located within said district: Tax Map 3 Lots 12, 13, 13-1, 13-2, 15, 16, 17, 17-1, 17-2, 18, 19, 21, 21-1, 22, 22-1, 22-2, 22-1-2, 23, 23-1, 24, 25, 26, 27, 28 and 34. The CI district also includes part of Tax Map 3 Lot 30 closest to Route 150 (Amesbury Road) from the frontage corner property bound at Route 150 (Amesbury Road) and South Road, which runs approximately two hundred and thirty feet (230') west along the property boundary of Tax Map 3 Lot 30 with South Road. From the end of that distance the CI district boundary line extends north to a pin set one hundred and twelve feet (112') from the frontage property boundary on Route 150 (Amesbury Road) between Tax Map 3 Lot 29 and Lot 30 to the back corner property boundary of Tax Map 3 Lot 29 and Lot 30.

Recommended by the Planning Board

<u>ARTICLE 5</u>: Are you in favor of the adoption of Article 12 as proposed by the Planning Board for the Kensington zoning ordinance as follows?

ARTICLE 12: AMENDMENTS, CONFLICTS AND PENALTIES, ADMINISTRATION, SEVERABILITY AND EFFECTIVE DATE

12.1 Amendments

This Ordinance may be amended by a majority vote of any legal Town Meeting when such amendment has received a final public hearing by the legislative body, which hearing has been advertised and given a legal notice; or when such amendment has received a preliminary public hearing and has been published in its entirety in the warrant calling for the meeting.

#### 12.2 Conflicts and Penalties

### A. Conflicting Sections

Whenever the regulations made under the authority hereof differ from those prescribed by any statute, ordinance or other regulation, that provision which imposes the greater restriction or the higher standard shall govern.

#### B. Penalties

Any violation of this Ordinance shall be punishable as stated in RSA 676:17, IV, as it may be amended. Additionally in the event the Town is required to seek injunctive relief to enforce any provision of this Ordinance, the Town shall seek the imposition of all costs and attorney's fees in pursuing such action from any violator of this Ordinance unless in the judgment of the Selectmen the violation was inadvertent or otherwise excusable. Additionally, in the event that any person shall fail to obtain any permit required under this Ordinance or any other land use regulation of the Town of Kensington, including but not limited to, the Town's Building Ordinance, the Planning Board's Site Plan Review, Subdivision, and Excavation Regulations, the Requirements for Siting Septic Systems Ordinance, and the Regulations re: Driveways and other Accesses to Town Roads, any and all permit or application fees shall be trebled unless the appropriate enforcing body shall find that the failure to obtain the permit was inadvertent or otherwise excusable. The purpose of this provision is to insure that the Town recovers the costs associated with the administrative enforcement of its land use regulations.

#### 12.3 Administration

- 12.3.1 General: The provisions of the Kensington Zoning Ordinance shall be administered by the following:
  - A. Building Inspector for building permits;

3

- Planning Board for subdivision, site plan review, and conditional use approval; and
- Zoning Board of Adjustment for special exception approval and any variances granted from the ordinance.
- 12.3.2 Enforcement: The Board of Selectmen shall be responsible for the enforcement of the provisions and conditions of the Town of Kensington Zoning Ordinance and any permits that are granted from the above town land use boards.

#### 12.4 Severability

If any section, clause, provision or portion of this ordinance shall be held to be invalid or unconstitutional by any court of competent jurisdiction, such holding shall not affect or impair any other section, clause, provision or portion of this ordinance.

#### 12.5 Effective Date

This Ordinance, and amendments, shall take effect upon its passage.

Recommended by the Planning Board

ARTICLE 6: Shall the Town of Kensington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$1,675,661.00 (One million, six hundred seventy five thousand, six hundred sixty one dollars). Should this article be defeated, the operating budget shall be \$1,639,454.00 (One million, six hundred thirty nine thousand, four hundred fifty four dollars), which is the same as last year, with certain adjustments required by previous action of the voters or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in any other warrant article.

Selectmen recommend this appropriation unanimously

ARTICLE 7: To see if the municipality will vote to authorize the selectmen to enter into the second year of a seven year lease agreement for \$380,000 (three hundred eighty thousand dollars) for the purpose of leasing a new fire truck and to raise and appropriate the sum of \$60,740 (sixty thousand seven hundred forty dollars) for the second year's payment for that purpose. This lease agreement contains an escape clause. (Majority vote required). In subsequent years, if the annual appropriation is not approved, the lease

terminates and the truck will be returned. If this lease is approved for each of the seven years, a warrant article will be set forth to expend \$19,000 (nineteen thousand dollars) from the fire department equipment capital reserve fund to offset the final payment only.

Selectmen recommend this appropriation unanimously

ARTICLE 8: To see if the town will vote to raise and appropriate the sum of \$200,000 (two hundred thousand dollars) for town road reconstruction. This will be a non-lapsing appropriation as per RSA 32:7, VI and will not lapse until December 31, 2014. This appropriation is in addition to Warrant Article 6, the operating budget article.

Selectmen recommend this appropriation unanimously

ARTICLE 9: To see if the municipality will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) for maintenance of the Grange Hall. This will be a non-lapsing article.

Selectmen recommend this appropriation unanimously

ARTICLE 10: To see if the municipality will vote to require the governing body to determine and include an estimated tax impact statement on warrant articles per RSA 32:5, V-b.

Selectmen recommend this appropriation unanimously

ARTICLE 11: To see if the Town will vote to adopt the provisions of RSA 41:14-a and authorize the Selectmen to acquire or sell land or buildings under the procedures contained in RSA 41:14-a and to authorize the Selectmen to enter into any lease or other transaction in connection with such land or buildings?

Selectmen recommend this appropriation unanimously

ARTICLE 12: Shall the Town vote to authorize the Board of Selectmen to convey a conservation easement on the so-called Sargent Tract, consisting of 10.280 acres of open space identified as a part of Tax Map 9 Lot 9, to the Southeast Land Trust of New Hampshire, which already holds a conservation easement on the remainder of said parcel, to ensure the long-term protection and stewardship of this property, which is also adjacent to other lands owned by the Town and protected by conservation easement.

Selectmen recommend this appropriation unanimously

ARTICLE 13: By petition of Marina Kirsch, T. Kate Mignone and 25 other registered voters: To see if the Town will accept Hudson Drive in its present condition as a Class V (5) Town Road. This road has been approved by the Town Engineer, the Fire Chief and

the Road Manager (12/15/12).

Selectmen recommend this appropriation unanimously

ARTICLE 14: By petition to see if the town will vote to adopt the provisions of NH RSA 72:65 through RSA 72:68 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with wind-powered energy systems intended for

use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying equipment under these statutes.

The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

Selectmen do not recommend this appropriation.

ARTICLE 15: By petition to see if the town will vote to adopt the provisions of NH RSA 72:69 through RSA 72:72 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with wood heating energy systems intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying equipment under these statutes.

The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

Selectmen do not recommend this appropriation.

ARTICLE 16: By petition to see if the town will vote to adopt the provisions of NH RSA 72:61 through RSA 72:64 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with solar energy systems intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying equipment under these statutes.

The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

Selectmen do not recommend this appropriation.

ARTICLE 17: By petition to see if the town will raise and appropriate funding in the amount of \$10,000 to conduct the first comprehensive and objective study, by an independent Certified Industrial Hygienist with no conflict of interest, on the Kensington Town Hall to determine what remediation work is required to allow safe use by town employees. This study will be managed by the Friends of the Town Hall in conjunction with the Selectmen.

It is alleged that Town employees have become sick while working in the town hall, however multiple studies performed at the request of town officials have NOT conclusively identified the causal agent(s) for these illnesses. This funding will allow an objective study to be conducted by a Certified Industrial Hygienist (CIH) with no conflict of interest. The focus of the study will be to identify related to adverse health effects and to assist the town with implementing the most cost-practical solutions that provide a safe environment and allow the building to function as a municipal facility.

Studies conducted by the town have presumed that moisture intrusion and mold spores are the cause of the alleged adverse health effects. The Friends of the Kensington Town Hall procured an independent study to determine the cost and procedures to restore the

building to useful life based on this prior assumption of moisture as well as on broader air quality concerns. This independent study was conducted by AEC Group of Newmarket, New Hampshire and concluded that remediation, renovation and historic preservation of the existing Town Hall can be accomplished for approximately \$150,000. This sum (\$150,000) would address the concerns raised by the previous reports commissioned by the Town of Kensington and is significantly lower than projected costs estimated by recent proposals procured and considered by the town.

Selectmen do not recommend this appropriation.

ARTICLE 18: To see if the town will allow board of selectmen the authority to establish or amend fees at any time without further vote of the town pursuant to RSA 41:9-a. Before establishing or amending a fee, there is a requirement for public notice and a public hearing. Once in place, the authorization remains until rescinded at a future town meeting.

Selectmen recommend this appropriation unanimously.

ARTICLE 19: To see if the Town of Kensington will vote to raise and appropriate up to \$175k for the purchase of land within a suitable location near the center of town for a municipal building(s).

Selectmen recommend this appropriation unanimously.

A True Copy - Attest

Selectmen

Kevin Rosencrantz

Kensington, NH

25th day of January 2013

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting an attested copy of the within Warrant at the Kensington Grocery Store, being a public place of meeting in said Town, at the Kensington Elementary School and at the Town Hall on the 28th day of January, 2013

Selectmen

Kensington, NH

Deliberative Session

2-6-2013

### 2013 Deliberative Session Minutes

# February 6, 2013 Deliberative Session Minutes For the Town of Kensington

Moderator, Harold Bragg called the meeting to order at 7:30pm. Followed by a salute to the flag led by Sargent Sanders. In attendance were Selectmen: Russell Perry, Stefanie Johnstone, Kevin Rosencrantz and Acting Town Clerk: Dawn Frost.

There were approximately 62 registered voters present.

The Moderator read the opening paragraphs of the Town Warrant stating the Town Election would be held Tuesday March 12<sup>th</sup>, 2013 from 8am to 7:30pm at The Kensington Elementary School, multipurpose room. Harold explained how he would conduct the meeting and asked for all amendments to be in writing and presented to the moderator.

**ARTICLE 1:** To choose all necessary Town Officials for the year ensuing.

Selectmen 3y	s Scott Lowell	Trustee of Trust Funds 3yrs
		Carlton Rezendes
Tax Collector 1	r Carlene Wiggin	Cemetery Trustee 3yrs Richard E. Bates
Town Clerk 1	r Pamela Lyn Kehoe	Supervisor of Checklist 6yrs None Filed
Treasurer 1	r Sara Belisle	
	Gary Bonitatibus	
Moderator 2y	rs Harold Bragg	
Library Trustee 3yrs None Filed		

No discussion; positions will be on the ballot as is. All positions will have write-ins.

Planning Board article can't be changed in the Deliberative Session and will go to the Ballot as presented.

**ARTICLE 2:** Are you in favor of the adoption of the amendment of Chapter V, Article 2.3 A.4 and A.5 as proposed by the Planning Board for the Kensington zoning ordinance as follows?

Article 2.3 Submission of Information (Amended 3-10-2009)

### 2013 Deliberative Session Minutes

- A. All Permit applications shall be accompanied by the following information:
  - 1. Driveway location, entrance, exit or approach. The location shall be selected to most adequately protect the safety of the traveling public;
  - 2. Drainage improvements, such as culverts or swales, and any channelization to be installed by the applicant;
  - 3. Proposed grading that adequately protects and promotes highway drainage and permits a safe and controlled approach to the road in all seasons of the year. Driveways shall pitch away from all town roads and private roads, for ten feet at a grade not less than 2%; and
  - 4. All driveway permit application shall show the exact location of the driveway and the presence of wetlands per the town's wetland ordinance and or regulations.
  - 5. All permits to be submitted to the town seven or more days before the scheduled Planning Board meeting.

Recommended by the Planning Board

Kate Mignone made motion to accept seconded by Mike Schwotzer. There is no discussion, Moderator moves to next article

**ARTICLE 3:** Are you in favor of the adoption of the definition of Road Frontage as proposed by the Planning Board for the Kensington zoning ordinance as follows?

#### ROAD FRONTAGE DEFINITION-

The length of the lot bordering on and providing access to a Class V (or Better) highway but excluding limited or restricted access highways, or a street, as defined and as used in Title LXIV, Planning and Zoning, of the Revised Statutes Annotated, shown on a plat approved by the planning board. Footage requirements as specified by this ordinance shall be continuous. In the case of corner lots, frontage and front lot lines shall mean the dimensions and lines on both intersecting streets.

Recommended by the Planning Board

Peter Merrill made motion to accept seconded by Mike Schwotzer. There is no discussion, Moderator moves to next article.

**ARTICLE 4:** Are you in favor of the adoption of the amended commercial and industrial use district as proposed by the Planning Board for the Kensington zoning ordinance as follows?

The Commercial and Industrial Use District (CI District) is outlined on the Official Town Zoning Map and are defined below using 2012 property tax map and parcel numbers. All properties not listed below, or depicted on the Official Zoning Map as part of the CI District shall be considered to be located within the Residential and Agricultural use District (RA District).

### 2013 Deliberative Session Minutes

### A. Description

The Commercial and Industrial District (CI District) is defined using 2012 Property Tax Map and Parcel numbers for each property located within this district. The following is a list of properties, or parts thereof located within said district: Tax Map 3 Lots 12, 13, 13-1, 13-2, 15, 16, 17, 17-1, 17-2, 18, 19, 21, 21-1, 22, 22-1, 22-2, 22-1-2, 23, 23-1, 24, 25, 26, 27, 28 and 34. The CI district also includes part of Tax Map 3 Lot 30 closest to Route 150 (Amesbury Road) from the frontage corner property bound at Route 150 (Amesbury Road) and South Road, which runs approximately two hundred and thirty feet (230') west along the property boundary of Tax Map 3 Lot 30 with South Road. From the end of that distance the CI district boundary line extends north to a pin set one hundred and twelve feet (112') from the frontage property boundary on Route 150 (Amesbury Road) between Tax Map 3 Lot 29 and Lot 30 to the back corner property boundary of Tax Map 3 Lot 29 and Lot 30.

Recommended by the Planning Board

Kate Mignone motions to accept, seconded by Mike Schwotzer. There is no discussion Moderator moves to next article.

**ARTICLE 5:** Are you in favor of the adoption of Article 12 as proposed by the Planning Board for the Kensington zoning ordinance as follows?

### ARTICLE 12: AMENDMENTS, CONFLICTS AND PENALTIES, ADMINISTRATION, SEVERABILITY AND EFFECTIVE DATE

#### 12.1 Amendments

This Ordinance may be amended by a majority vote of any legal Town Meeting when such amendment has received a final public hearing by the legislative body, which hearing has been advertised and given a legal notice; or when such amendment has received a preliminary public hearing and has been published in its entirety in the warrant calling for the meeting.

#### 12.2 Conflicts and Penalties

#### A. Conflicting Sections

Whenever the regulations made under the authority hereof differ from those prescribed by any statute, ordinance or other regulation, that provision which imposes the greater restriction or the higher standard shall govern.

## 2013 Deliberative Session Minutes

Any violation of this Ordinance shall be punishable as stated in RSA 676:17, IV, as it may be amended. Additionally in the event the Town is required to seek injunctive relief to enforce any provision of this Ordinance, the Town shall seek the imposition of all costs and attorney's fees in pursuing such action from any violator of this Ordinance unless in the judgment of the Selectmen the violation was inadvertent or otherwise excusable. Additionally, in the event that any person shall fail to obtain any permit required under this Ordinance or any other land use regulation of the Town of Kensington, including but not limited to, the Town's Building Ordinance, the Planning Board's Site Plan Review, Subdivision, and Excavation Regulations, the Requirements for Siting Septic Systems Ordinance, and the Regulations re: Driveways and other Accesses to Town Roads, any and all permit or application fees shall be trebled unless the appropriate enforcing body shall find that the failure to obtain the permit was inadvertent or otherwise excusable. The purpose of this provision is to insure that the Town recovers the costs associated with the administrative enforcement of its land use regulations.

#### 12.3 Administration

- **12.3.1** General: The provisions of the Kensington Zoning Ordinance shall be administered by the following:
  - **A.** Building Inspector for building permits;
  - **B.** Planning Board for subdivision, site plan review, and conditional use approval; and
  - **C.** Zoning Board of Adjustment for special exception approval and any variances granted from the ordinance.
- **12.3.2** Enforcement: The Board of Selectmen shall be responsible for the enforcement of the provisions and conditions of the Town of Kensington Zoning Ordinance and any permits that are granted from the above town land use boards.

### 12.4 Severability

### **2013 Deliberative Session Minutes**

If any section, clause, provision or portion of this ordinance shall be held to be invalid or unconstitutional by any court of competent jurisdiction, such holding shall not affect or impair any other section, clause, provision or portion of this ordinance.

#### 12.5 Effective Date

This Ordinance, and amendments, shall take effect upon its passage.

Recommended by the Planning Board

Peter Merrill motions to accept seconded by Mike Schwotzer. No discussion, Moderator moves to next article.

ARTICLE 6: Shall the Town of Kensington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$1,675,661.00 (One million, six hundred seventy five thousand, six hundred sixty one dollars). Should this article be defeated, the operating budget shall be \$1,639,454.00 (One million, six hundred thirty nine thousand, four hundred fifty four dollars), which is the same as last year, with certain adjustments required by previous action of the voters or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in any other warrant article.

Selectmen recommend this appropriation unanimously

Any amendments:

Chair Stefanie Johnstone motions to accept seconded by Robert Gustafson. Mike Schwotzer motions to amend seconded by Peter Merrill. Amended Article submitted

Motion to amend Warrant Article 6 by deleting the words "totaling \$1,675,661.00 (One million, six hundred seventy five thousand, six hundred sixty one dollars)" and replacing them with the words "totaling \$1,676,784.00 (One million, six hundred seventy six thousand, seven hundred eighty four dollars)."

The difference being \$1,123. (one thousand one hundred twenty three dollars) which is intended to be used to grant a 4% raise to the Assessing Clerk who has been at the same salary level since being hired in 2008. The percentage increase used in this amendment is the same as the percentage raise granted to the Administrative Assistant in the proposed 2013 budget.

The amended warrant article would then read:

### 2013 Deliberative Session Minutes

ARTICLE 6: Shall the Town of Kensington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$1,676,784.00 (One million, six hundred seventy six thousand, seven hundred eighty four dollars). Should this article be defeated, the operating budget shall be \$1,639,454.00 (One million, six hundred thirty nine thousand, four hundred fifty four dollars), which is the same as last year, with certain adjustments required by previous action of the voters or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in any other warrant article. Selectmen recommend this appropriation unanimously

Mike Schwotzer expressed that he felt Assessing Clerk Kathy Felch goes above and beyond duties with Planning Board, Zoning Board, bookkeeping and deserves an increase in pay. Rich Powers asked for input from selectmen Russell Perry stated only increase in pay approved in the budget was to Administrative Assistant for specific duties added to job. Dara Fabrizio questioned selectmen if amendment passed would they allocate amendment, Russell Perry answered yes. Joan Skewes and Rich Waldron asked for elaboration on increases in overall budget, Russell Perry spoke to answer. Peter Merrill questioned certain reductions Russell Perry spoke to answer. Moderator asked to repeat amendment, voice vote in the affirmative amended article carries.

ARTICLE 7: To see if the municipality will vote to authorize the selectmen to enter into the second year of a seven year lease agreement for \$380,000 (three hundred eighty thousand dollars) for the purpose of leasing a new fire truck and to raise and appropriate the sum of \$60,740 (sixty thousand seven hundred forty dollars) for the second year's payment for that purpose. This lease agreement contains an escape clause. (Majority vote required). In subsequent years, if the annual appropriation is not approved, the lease terminates and the truck will be returned. If this lease is approved for each of the seven years, a warrant article will be set forth to expend \$19,000 (nineteen thousand dollars) from the fire department equipment capital reserve fund to offset the final payment only.

Selectmen recommend this appropriation unanimously

Mike Schwotzer motioned to accept seconded by Rich Powers, Discussion: Peter Merrill Questioned 2<sup>nd</sup> year for payment has truck been received. Charles Leblanc Fire Chief responded delivery should take place end of April Peter asked what will be done with truck that is being replaced. Charles stated would be stripped down interest has been shown in it. Dennis Roffman questioned 1<sup>st</sup> payment without delivery of truck. Selectmen Russell Perry and Selectmen Kevin Rosencrantz explained payment is in escrow and is being held. Charles Leblanc stated truck is special ordered with specific specifications by Fire Department. Kevin Rosencrantz explained 1<sup>st</sup> payment must be made even if vote does not pass. Marina Kirsch questioned how long the truck is expected to be in service.

### 2013 Deliberative Session Minutes

Charlie Leblanc answered 25-30 yrs. No more discussion voice vote in the affirmative article carries.

ARTICLE 8: To see if the town will vote to raise and appropriate the sum of \$200,000 (two hundred thousand dollars) for town road reconstruction. This will be a non-lapsing appropriation as per RSA 32:7, VI and will not lapse until December 31, 2014. This appropriation is in addition to Warrant Article 6, the operating budget article.

Selectmen recommend this appropriation unanimously

Mike Schwotzer motioned to accept seconded by Chair Stefanie Johnstone. Discussion: Kay Christie questioned isn't this included in operating budget. Selectmen Kevin Rosencrantz explained upkeep is in the budget, article is for reconstruction. Road Manager David Buxton stated reconstruction has been warrant articles since 1999. Jim Thompson asked where last year's 200,000 spent. Dave responded Kensington Farms and Stumpfield Rd. Tim Galitski wanted to know what roads need repair Dave explained Selectmen, himself and engineers determine what roads are in the most need. After funds are appropriated roads are evaluated. Elaine Bodwell expressed concerns regarding speed tables on Trundle Bed Lane, Dave explained resolutions are being discussed to make them more visible. Voice vote in the affirmative article carries.

**ARTICLE 9:** To see if the municipality will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) for maintenance of the Grange Hall. This will be a non-lapsing article.

Selectmen recommend this appropriation unanimously

Selectmen Kevin Rosencrantz motioned to accept seconded by Robert Gustafson, no discussion article carries.

Motion to amend Warrant Articles 10/11/12/13/14/15/16/18 by deleting the word "appropriation" from the Selectman's recommendations and replacing it with the word "article". This is being done because the articles in question do not contain any dollar values to be raised so therefore contain no appropriations. This is strictly House Keeping.

**ARTICLE 10:** To see if the municipality will vote to require the governing body to determine and include an estimated tax impact statement on warrant articles per RSA 32:5, V-b.

Selectmen recommend this appropriation unanimously

Mike Schwotzer motioned to accept seconded by Rich Powers. Mike Schwotzer provided explanation Hampton doing the same thing Law just changed and requires it. No further discussion voice vote in the affirmative article carries.

### 2013 Deliberative Session Minutes

**ARTICLE 11**: To see if the Town will vote to adopt the provisions of RSA 41:14-a and authorize the Selectmen to acquire or sell land or buildings under the procedures contained in RSA 41:14-a and to authorize the Selectmen to enter into any lease or other transaction in connection with such land or buildings?

Selectmen recommend this appropriation unanimously

Mike Schwotzer move to accept seconded by Selectmen Kevin Rosencrantz Frank Whittemore questioned purpose lengthy discussion ensued. Selectmen explained would only give them the opportunity to negotiate not purchase would still need town approval for selling or purchasing following the statutes of RSA's. Peter Merrill asked if there have been negotiations already Russell Perry stated inquiries not negotiations. Sargent Sanders looked up RSA and it requires two public hearings prior to buying or selling. June Hampe believes it gives selectmen too much power Dara Fabrizio her understanding would give more opportunity so would not have to wait for a once a year vote would allow more freedom. Bob Schrepf motioned to amend language of article to read:

**ARTICLE 11:** To see if the Town will vote to adopt the provisions of RSA 41:14-a and authorize the Selectmen to negotiate with the intent to acquire or sell land or buildings under the procedures contained in RSA 41:14-a and to authorize the Selectmen to enter into any lease or other transaction in connection with such land or buildings?

Moderator Harold Bragg read amended article Ann Smith of Moulton Ridge Rd seconded motion to accept. Selectmen Kevin Rosencrantz stated attorney prepared article selectmen didn't RSA was reiterated by Selectmen Russell Perry. Peter Merrill called for vote on amended article standing vote 29 to 21 Harold rereads approved w/o changing subject matter amended article carries.

**ARTICLE 12:** Shall the Town vote to authorize the Board of Selectmen to convey a conservation easement on the so-called Sargent Tract, consisting of 10.280 acres of open space identified as a part of Tax Map 9 Lot 9, to the Southeast Land Trust of New Hampshire, which already holds a conservation easement on the remainder of said parcel, to ensure the long-term protection and stewardship of this property, which is also adjacent to other lands owned by the Town and protected by conservation easement.

Selectmen recommend this appropriation unanimously

Joan Skewes motion to accept seconded by Mike Schwotzer Joan Skewes provides explanation Donna Carter questioned article limiting the use of the land for the town noting there is a pond located there. What rights would be given up. Joan explained the land trust would then oversee the land to be sure it's unencumbered upon. June Hampe wanted to know what choices the town had for use of the land Joan replied conservation land forestry, trails, increase green space in town. Article reread no further discussion voice vote affirmative article carries to ballot.

### 2013 Deliberative Session Minutes

**ARTICLE 13:** By petition of Marina Kirsch, T. Kate Mignone and 25 other registered voters: To see if the Town will accept Hudson Drive in its present condition as a Class V (5) Town Road. This road has been approved by the Town Engineer, the Fire Chief and the Road Manager (12/15/12).

Selectmen recommend this appropriation unanimously

Kate Mignone motion to accept seconded by Dara Fabrizio Discussion: Fred Feldman questioned what present condition means. Kate Mignone Planning Board Chair states it meets all conditions Marina Kirsch states perfect condition 5 years old. Selectmen Russell Perry town would release bond accept Hudson Drive as town road and it would be plowed and maintained no concerns. Richard Welsh wanted to know if money was recovered from excavation of gravel. Dave Buxton responded wasn't filed to excavate with intent for gravel pit, approved by Planning Board for excavation for the road and lots. Voice vote affirmative carries to ballot.

ARTICLE 14: By petition to see if the town will vote to adopt the provisions of NH RSA 72:65 through RSA 72:68 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with wind-powered energy systems intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying equipment under these statutes.

The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

Selectmen do not recommend this appropriation.

Selectmen Russell Perry motion to accept seconded by Chair Stefanie Johnstone Selectmen did not have enough information initially but now recommend articles #14, 15, and 16. Peter Merrill proposed this and the next two articles read literature referring to Governor Lynch proposal some discussion. Has been on the books since 1977 all surrounding towns have accepted. Meant to improve renewable energy bring costs of energy down. Some lengthy discussion. Karina Kirsch approval should cause applause for trying to help us, called to approve. Seconded by Mike Schwotzer voice vote affirmative carries to ballot.

### 2013 Deliberative Session Minutes

ARTICLE 15: By petition to see if the town will vote to adopt the provisions of NH RSA 72:69 through RSA 72:72 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with wood heating energy systems intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying equipment under these statutes.

The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

Selectmen do not recommend this appropriation.

Selectmen Russell Perry motion to accept seconded by Chair Stefanie Johnstone little discussion voice vote affirmative carries to ballot.

ARTICLE 16: By petition to see if the town will vote to adopt the provisions of NH RSA 72:61 through RSA 72:64 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with solar energy systems intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying equipment under these statutes.

The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels.

Selectmen do not recommend this appropriation.

Selectmen Kevin Rosencrantz motions to accept seconded by Selectmen Russell Perry voice vote affirmative carries to ballot.

**ARTICLE 17:** By petition to see if the town will raise and appropriate funding in the amount of \$10,000 to conduct the first comprehensive and objective study, by an independent Certified Industrial Hygienist with no conflict of interest, on the Kensington Town Hall to determine what remediation work is required to allow safe use by town employees. This study will be managed by the Friends of the Town Hall in conjunction with the Selectmen.

It is alleged that Town employees have become sick while working in the town hall, however multiple studies performed at the request of town officials have NOT conclusively identified the causal agent(s) for these illnesses. This funding will allow an objective study to be conducted by a Certified Industrial Hygienist (CIH) with no conflict

### 2013 Deliberative Session Minutes

of interest. The focus of the study will be to identify related to adverse health effects and to assist the town with implementing the most cost-practical solutions that provide a safe environment and allow the building to function as a municipal facility.

Studies conducted by the town have presumed that moisture intrusion and mold spores are the cause of the alleged adverse health effects. The Friends of the Kensington Town Hall procured an independent study to determine the cost and procedures to restore the building to useful life based on this prior assumption of moisture as well as on broader air quality concerns. This independent study was conducted by AEC Group of Newmarket, New Hampshire and concluded that remediation, renovation and historic preservation of the existing Town Hall can be accomplished for approximately \$150,000. This sum (\$150,000) would address the concerns raised by the previous reports commissioned by the Town of Kensington and is significantly lower than projected costs estimated by recent proposals procured and considered by the town.

Selectmen do not recommend this appropriation.

Mike Schwotzer motion to accept seconded by Peter Merrill Lynne Monroe explained last two paragraphs were supposed to be explanatory, not to be included in the warrant article. Lynne Monroe was told by the Department of Revenue Administration that just the 1<sup>st</sup> paragraph would be on the warrant. Lynne Monroe submitted an amendment that reads as follows:

Article 17: "To see if the town will raise and appropriate funding in the amount of \$10,000 to perform testing, by an independent Certified Industrial Hygienist, on the Kensington Town Hall to determine what remediation work would be required in order to allow safe use of the building. This process will include, and the funding will cover, preliminary cleaning necessary to get accurate results. This study will be managed by the Friends of the Town Hall in conjunction with the selectmen."

Moderator Harold Bragg read the amended article motion to accept by Frank Whittemore seconded by Richard Fyler. Selectmen Russell Perry believes this changes the intent or subject matter Lynne Monroe states the DRA said it did not change the subject matter of the amendment, states it would be more appropriate for the room to decide. Moderator Harold Bragg gives the room 10 minutes to review then to call a vote to decide if the subject matter has changed. Harold called to order after 10 minutes @ 10pm 14 believed it did change intent, determined no question the majority of the 62 people in the room voted that the subject and intent of the original warrant article did not change with the amendment. Discussion ensued regarding previous studies performed by selectmen. Lynne Monroe and Frank Whittemore believe building has been vacant for three years and conditions change and a baseline is needed to go forward understanding cleaning is not the whole solution. Selectmen Russell Perry says quote the Selectmen received for a full cleaning including duct work was \$35,000. Lynne Monroe suggested a company gave quote it can be done within \$10,000. Lynne Monroe article is not saying anything about what building is used for in the future. First step is to get rid of the problem, this is the most accurate way to get a baseline and learn how to go forward. Lynne Bonitatibus Administrative Assistant to the selectmen had two comments if the DRA does determine

a change in subject the amendment would be null and void. A Newmarket company states only an opinion. Selectmen Kevin Rosencrantz ran for office mainly because of the concern of the Town Hall and thought the selectmen were wasting money has now learned a lot. No one says we can fix it with a guarantee. State deemed walkway across street unsafe location on corner. Selectmen believe we have outgrown the building as a municipal building. No guaranteed fix at what point do you stop. Steve Smith brings up now on 4<sup>th</sup> year what is intention. Russell Perry submitted amendment to read \$0 dollars to be appropriated in the article and strike last sentence. Moderator Harold Bragg read 2<sup>nd</sup> amended article, Kevin Rosencrantz motion to accept Chair Stefanie Johnstone seconded. Further discussion Mike Schwotzer called the question Harold Allowed another 5 minutes for further discussion. Mike Schwotzer and Kay Christie both point out selectmen can choose to not spend the money on Town Hall. Deadline passed 2nd amendment called does not carry by voice vote. Original amendment voice vote affirmative, Selectmen Russell Perry Noted the Selectmen do not recommend the article. Original amended article carries to ballot.

ARTICLE 18: To see if the town will allow board of selectmen the authority to establish or amend fees at any time without further vote of the town pursuant to RSA 41:9-a. Before establishing or amending a fee, there is a requirement for public notice and a public hearing. Once in place, the authorization remains until rescinded at a future town meeting.

Selectmen recommend this appropriation unanimously.

Mike Schwotzer motion to accept, seconded by Selectmen Russell Perry. Elaine Bodwell asked for elaboration of fees. Selectmen Russell Perry elaborated decal stickers for car registrations, dog fines, licenses, park fees. Selectmen Kevin Rosencrantz agrees some fees need to be increased. Police Chief Sielicki was recognized by the moderator; not being a resident, fees could not go above what the law requires. Mike Schwotzer public hearings give them the tools they need to take care of business. Peter Merrill adds public notice is opinion and a vote of three not the whole town. Tim Galiski would it empower you any new fee any amount. Selectmen Russell Perry not looking to make up fees looking to keep up with current fee structures. Voice vote affirmative article carries to ballot

**ARTICLE 19:** To see if the Town of Kensington will vote to raise and appropriate up to \$175k for the purchase of land within a suitable location near the center of town for a municipal building(s).

Selectmen recommend this appropriation unanimously.

Peter Merrill motion to accept seconded by Mike Schwotzer. Mike Scwotzer submitted amendment to the way article is written to change typo Moderator Harold Bragg states it will be corrected.

Motion to amend Warrant Article 19 by deleting the term "\$175k" and replacing it with "\$175,000 dollars (one hundred seventy five thousand dollars)".

Deliberative Session

2-6-2013

### 2013 Deliberative Session Minutes

This change does not change the meaning or substance but rather makes the warrant article more in compliance with the DRA's suggested format regarding dollar amounts. The amended warrant article would then read:

**ARTICLE 19:** To see if the Town of Kensington will vote to raise and appropriate up to \$175,000 (one hundred seventy five thousand dollars) for the purchase of land within a suitable location near the center of town for a municipal building(s). Selectmen recommend this appropriation unanimously.

June Hampe requests the Selectmen expand on what they see. Selectmen Russell Perry there is not a lot available to them but if something were to come up they would want to act on it. Joni Praded is there a particular site they would like to see available any pursuit at this time. Both Selectmen Russell Perry and Kevin Rosencrantz there are no available options or sites at this time. Peter Merrill questions what location near center of town means some discussion Selectmen Russell Perry Municipal building and church but doesn't want to be too specific. Selectmen Kevin Rosencrantz Any location would go to town decision. Voice vote to close to call, article going to ballot without approval.

Steve Smith called a non-binding referendum of public sentiment for Town Hall to be preserved as the beauty it is as town heritage. Moderator Harold Bragg reiterated sentiment of Steve Smith. Non –binding voice vote affirmative.

Deliberative session Adjourned at 10:30pm to commence voting by official ballot on March 12, 2013.

Respectfully submitted,

Dawn Frost, Acting Town Clerk

### 2013 Default Budget

MS-DT

#### DEFAULT BUDGET OF THE TOWN

OF:	KENSINGTON		
	For the Ensuing Year January 1,	2013 to December 31, 2013	
	or Fiscal Year From	to	

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

- 1. Use this form to list the default budget calculation in the appropriate columns.
- 2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
- 3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

### 2012 Official Ballot OFFICIAL RESULTS

фſ

#### Official Ballot for the Town of Kensington

For the Town of Kensington, NH at the Annual Town Meeting, March 13, 2012. Should the voter desire to vote for anyone not named on the list, it is their privilege to write in the name of the person(s) they wish to vote for.

they wish to vote for. Jest T. Madere, Town Clerk TO VOTE FOR A PERSON MARK A CROSS (X) AT THE RIGHT OF THE NAME Article #1 Selectmen (3 years) Vote for not more Library Trustee (3 years) Vote for not than 1 more than 1 Janet Seeger 385  $\square$ James P. Thompson Russell Perry Trustee of Trust Funds (3 years) Vote for not more than 1 Tax Collector (1 year) Vote for not more Ann D. Smith  $392 \, \Box$ than 1 Carlene Wiggin Cemetery Trustee (3 years) Vote for not more than 1 Town Clerk (1 year) Vote for not more Carlton Rezendes 41/ than 1 Amanda (Amy) Phifer 396  $\square$ Grange Hall Trustee (3 years) Vote Treasurer (1 year) Vote for not more for not more than 1 than 1 Carlton Rezendes

**ARTICLE 2:** Are you in favor of the adoption of the amendment No. 1 as proposed by the Planning Board for the Kensington zoning ordinance as follows?

Abutter: For the Town of Kensington an abutter shall be any property owner whose property is located in New Hampshire and within two hundred (200) feet of any property line, including across a street or stream, of a land under consideration by the local land use board. For purposes of receiving testimony only, and not for purposes of notification, the term "abutter" shall include any person who is able to demonstrate that their land will be directly affected by the proposal under consideration. For purposes of receipt of notification by a municipality of a local land use board hearing, in the case of an abutting property being under a condominium or other collective form of ownership, the term abutter means the officers of the collective or association, as defined in RSA 356-B:3, XXIII.

Recommended by the Planning Board

ARTICLE 3: Are you in favor of the adoption of amendment no. 2 as proposed by the Planning Board for the Kensington Zoning ordinance as Article 12- Aquifer(s) Protection as proposed by the Planning Board for the Kensington Zoning Ordinance? The rationale for the addition of this ordinance is to prevent development and land use practices that would contaminate or reduce the recharge of the identified groundwater aquifer in Town and encourage uses that can appropriately and safely be located in the identified aquifer recharge areas as defined by the United States Geological Survey (USGS). Copies of the full article will be available at the town offices or on the town web site.

Recommended by the Planning Board

Yes □	No [	
324	138	3

Ф

фſ

ARTICLE 4: Shall the Town of Kensington Vote to raise and appropriate the sum of \$7,000 (seven thousand dollars) for the purpose of creating a Natural Resources Inventory, and the money to be allocated from the portion of the change in use funds from the Current Use Tax Liens that goes to the general fund in the fiscal year 2012. This is a onetime funding allocation and will be used by the Planning Board and the Conservation Commission to update the Natural Resource Inventory requirement of the Kensington Master Plan.

Recommended by the Planning Board Selectmen recommend this appropriation unanimously

ARTICLE 5: Shall the Town of Kensington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$1,576,735 (one million five hundred seventy six thousand, seven hundred thirty five dollars)? Should this article be defeated, the operating budget shall be \$1,581,929 (one million, five hundred eighty one thousand, nine hundred twenty nine dollars), which is the same as last year, with certain adjustments required by previous action of the voters or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in any other warrant article.

Selectmen recommend this appropriation unanimously

Ь

ARTICLE 6: To see if the municipality will vote to authorize the selectmen to enter into a seven year lease agreement for \$380,000 (three hundred eighty thousand dollars) for the purpose of leasing a new fire truck and to raise and appropriate the sum of \$60,740 (sixty thousand seven hundred forty dollars) for the first year's payment for that purpose. This lease agreement contains an escape clause. (Majority vote required). In subsequent years, if the annual appropriation is not approved, the lease terminates and the truck will be returned. If this lease is approved for each of the seven years, a warrant article will be set forth to expend \$19,000 (nineteen thousand dollars) from the fire department equipment capital reserve fund to offset the final payment only.

Selectmen recommend this appropriation unanimously

Yes □ No □ 270 201

<u>ARTICLE 7</u>: To see if the town will vote to raise and appropriate the sum of \$200,000 (two hundred thousand dollars) for town road reconstruction. This will be a non-lapsing appropriation as per RSA 32:7, VI and will not lapse until December 31, 2013. This appropriation is in addition to Warrant Article 5, the operating budget article.

Selectmen recommend this appropriation unanimously

Yes □ No □ 29 | 175

ARTICLE 8: To see if the municipality will vote to reduce the amount deposited into the existing Conservation Fund in accordance with RSA 36-A:5, III, as authorized by RSA 79-A:25, II from the Land Use Change Tax collected pursuant to RSA 79-A:25. The current percentage is 50%, the reduced percentage will be 25%. The portion being reduced will be deposited into the General Fund. If adopted this article shall take effect April 1, 2012, and shall remain in effect until altered or rescinded by a future vote of the town meeting. (Majority vote required).

Yes □ No □ 228

фГ

ДΓ

ARTICLE 9: By petition of 25 Kensington residents, Shall the Town of Kensington vote to raise and appropriate the sum of \$750 in the town's 2012 budget to defray the cost of expanding the services provided by TASC, Transportation Assistance for Seacoast Citizens, to include eligible Kensington residents?

TASC recruits, trains and mobilizes a corps of volunteer drivers who provide rides to ambulatory adult residents age 55 or better who have a disability that prevents them from driving. TASC has been providing services in eight seacoast communities since December, 2006.

Selectmen recommend this appropriation unanimously

ARTICLE 10: By petition of Jodie A. Consoles (Southwick) and 25 other registered voters, to see if the Town shall modify the exemption for the elderly and the tax credit for the Veterans to include the disabled. To include the disabled as defined by the Social Security Administration as not being able to obtain gainful employment. The exemption based on assessed value for qualified taxpayers shall be \$125,000. To qualify, the person must have been a New Hampshire resident for at least five years and own and occupy real estate individually or jointly or if the real estate is owned by a spouse, they must have been married for at least five years. In addition, the taxpayer must have a net income of not more than \$38,000 if single; or if married, a combined net income of not more than \$58,000; and not own assets of more than \$200,000.; excluding the value of the personal residence.

Yes $\square$	No	
260	2	71

ARTICLE 11: Shall the Town of Kensington vote to appropriate \$15,675 (fifteen thousand six hundred seventy five dollars) from the existing Kensington Ambulance Special Revenue Fund for the purchase of a Stryker Power Pro cot to replace the manual Stryker cot that is currently in use on the ambulance. This includes a seven year warranty and preventative maintenance inspections each year. The money in this fund can only be used for ambulance related equipment and is funded by ambulance billing. Currently there is a total of \$57,594 in the fund.

Selectmen recommend this appropriation unanimously

Yes | No | | 349 | 120

ARTICLE 12: To see if the Town of Kensington will vote to raise and appropriate \$2,000.00 (two thousand dollars) to supplement the Kensington Recreation budget of 2012 in order to provide recreational activities throughout the year promoting community involvement.

Selectmen do not recommend this appropriation by a vote of 2 to 1

Yes □ No □ 286

**ARTICLE 13:** By petition of Karen Ross and 25 other registered voters of the Town of Kensington, To see if the Town will vote to place on the ballot one police officer for full-time duty in said town. (Majority vote required)

ARTICLE 14: To see if the Town will vote to form a municipal fire department as per RSA 154:1(b), whereby the Fire Chief shall be appointed by the Board of Selectmen upon recommendation of the firefighters; and the firefighters appointed by the Board of Selectmen upon recommendation of the Fire Chief. The Board of Selectmen shall be authorized to take what additional steps are legally necessary to effectuate the above transition. This Warrant Article shall become effective as of July 1, 2012.

Yes | No | | 271 | 187

# 2012 Social Service Appropriations

<b>Social Service</b>	<b>Appropriations</b>	for 2012*
-----------------------	-----------------------	-----------

Services Provided in 2012

2012

\*Included in Executive Budget as a line item

### **Seacoast Mental Health Center**

2010- request \$1,000 2011- request \$1,000 2012- request \$1,000 2013- request \$1,000 48 residents served 554 hrs. of service

**Rockingham Nutrition & Meals on Wheels Program** 

 2010- request
 \$515

 2011- request
 \$515

 2012- request
 \$520

 2013- request
 \$598

2012 14 residents served 1,797 meals

### **Child and Family Services**

2010- request \$1,000 2011- request \$1,000 2012- request \$1,000 2013- request \$1,000

2012 6 individuals served and 83 hrs. of service.

### **Rockingham Community Action**

 2010- request
 \$1,227

 2011- request
 \$1,227

 2012 request
 \$1,327

 2013- request
 \$1,500

### SeaCare Health Services (formerly Seacoast Health Net)

 2010-request
 \$2,000

 2011- request
 \$2,000

 2012- request
 \$2,000

 2013- request
 \$2,000

2012 17 residents received care this past year

### Richie McFarland Children's Center

 2010- request
 \$1,200

 2011- request
 \$1,200

 2012- request
 \$600

 2013- request
 \$300

 1 family served last year

2012 1 family served last year.

### **Sexual Assault Support Services**

 2010-request
 \$550

 2011- request
 \$550

 2012- request
 \$550

 2013- request
 \$550

Crisis services, 24 hr. hotline and educational programs

## 2012 Police Department Report

# Kensington Police Department

## Kensington, NH

**Chief of Police** 

TEL: (603) 772-2929 FAX: (603) 778-4949

95 Amesbury Road Kensington, NH 03833

The Kensington Police Department in 2012 continued the process of change with the hiring of the new Police Chief Michael J. Sielicki. The Police Department over the last few years has been in flux and now is finally fully staffed.

Externally, several changes have occurred as well! The police department temporary trailer was relocated to the parking lot across the street from the Town Hall. This was done to provide room for any possible construction that may or may not occur on the Town Hall site. This will make almost three years of this temporary fix and hopefully either this year or next a permanent solution will be found.

I want to commend the Board of Selectmen for their leadership on this issue. They have spent countless hours examining and listening to individuals that want to contribute in a proactive way to coming up with the best solution for the Town of Kensington not only for the short term, but for the future of Kensington as well.

To better serve the community we have been writing and apply for grants and have been somewhat successful. In 2012 we received approximately \$20,000 worth of grants and equipment.

- The Department of Highway Safety awarded us a grant for extra speed and DWI patrols.
- The Department of Justice awarded us a grant to purchase new and replacement ballistic vests to protect our officers while they are working.
- We also received a grant to assist in purchasing new radios to replace our existing outdated ones which are no longer supported.

We have made some other changes since I've been appointed:

- Our public office hours are now Monday through Thursday 9am-4pm and Fridays 9am-1pm to better serve you.
- We have implemented Nixle.com which is an alert system. You may sign up online through our website and receive notifications via email, text or phone. Here are some of the notifications we sent out this year:
  - o To notify residents when roads were closed during Hurricane Sandy
  - o Recent burglaries
  - o Moving the date for trick or treating
  - Notification of the earthquake

We urge you to sign up and stay informed.

Internally, the police department has made some personnel changes in order to better serve the citizens of Kensington. Officer Scott Sanders, who was the Officer in Charge during the absence of a Chief, was promoted to Sergeant. Sgt. Sanders has been serving the Town of Kensington since 2009.

Officer Scott Cain was promoted to the rank of Detective and has been serving the Town of Kensington since 2007. Detective Cain will give the Town the ability to have investigations followed up on in a timely manner. The Department relies heavily on part-

## 2012 Police Department Report

time officers to fill shifts and when these officers investigate criminal cases it my take them a week or two to get back to victims to follow up leads. This was not being responsive to our citizens, so having a detective that is a full-time officer who can focus on these cases will speed up the completion of the investigations.

Officer Josh Wrobleski finished the Full-Time police Academy this year as well. Officer Wrobleski then successfully completed his Field Training program. Officer Wrobleski has been serving the Town since 2011.

Our part-time complement of officers includes:

- Dennis Gorski who has been serving the town since 1996. Dennis also filled in this past year as the Detective.
- Dustin George who is also a full-time officer working for the Strafford County Sheriff's Department.
- David Hersey who is also a full-time officer with the Town of Seabrook.
- Mark Iannuccillo, who is also a full-time officer in East Kingston.
- Edward Cody who is a retired Seabrook Officer.
- Eric Young who has served the Town of Kensington since 1994.
- Juli Noyes, our Animal Control Officer

Toni Capozzi-Gorski, whom has been serving the Town since 1998 continues to perform the day to day administrative duties for the police department and our Prosecutor, Bill Hart.

I would like to commend each and every employee of the police department for their commitment and patience in dealing with the conditions they have been working in for the last several years.

I know it has been and is now difficult to work on a daily basis in a facility that is not properly suited for a police department. With no bathroom or running water it makes everyday a struggle, but I have not heard one complaint from any employee and for that I truly commend each of them.

As for me, it is an honor to be here in Kensington serving the citizens and I look forward to being here many years. I thank the Board of Selectmen for having the confidence in me to lead Kensington Police Department.

Chief Michael J. Sielicki

### 2012 Fire Department Report

## 2012 Fire Department Annual Report Kensington Fire Rescue

2012 was a landmark year in the evolution of our Fire Department. In July of 2012 we formally transitioned to a Municipal Fire Department. Prior to this legal restructuring, Kensington was one of the only private Fire Departments within the State of New Hampshire. It was originally founded in 1948 and has operated solely as a non-profit charitable trust organization until this year. As such, our members were not afforded the same legal protections from liability that is provided to other Municipal Fire Departments throughout the State. With the recommendation of the State Fire Marshall, Selectman, Town Council, and a passing vote in the March elections, we took on the task of making this important change a reality.

After much due diligence, organizational meetings and reviews of important internal documents such as Bylaws, Standard Operating Guidelines, and Articles of Incorporation the transition is complete. We have now created a new Municipal Fire Department known as Kensington Fire Rescue and a separate non-profit charitable trust organization known as The Kensington Fire Association. This restructuring has given us not only the same liability protection as all other municipalities in the State, it provides a framework for the organization that will see it through the inevitable growth and the changes that are sure to be part of our future for generations to come. The members of the department that took on this task deserve a great deal of credit.

One of the other significant events of 2012 was the approval of the purchase of a new piece of fire apparatus. The truck is currently in production, and is scheduled for delivery in the spring of 2013. We have been busy since March planning for the delivery and outfitting of this important new piece of fire apparatus. This new Engine/Tanker (Engine 2) will be our primary piece of fire apparatus for all fire and motor vehicle accident calls in town. We will be retiring the current Tanker 4, originally purchased in 1984, which has been in service for the Town of Kensington for over 29 years.

Through our normal budgeting process we were also able to purchase three full sets of new fully NFPA compliant fire gear for our members and ten new Motorola Minitor V emergency pagers. These pagers are our link to Rockingham County Dispatch services and the Statewide 911 system and are an important part of our emergency response infrastructure. Continually modernizing our equipment is an ongoing responsibility we have to the residents of Kensington that rely on us being fully prepared to handle any emergency situation at a moment's notice.

We welcomed four new members in 2012. Two of which completed the 200 hour long Firefighter I Certification program, and one of which continued on to the 120 hour Firefighter II training. Both of these firefighters are currently in the process of becoming Certified EMTs along with several other new members. We applied the dedication and welcome the addition of these new members to our

σΓ

## 2012 Fire Department Report Cont.

Department. As a Department, we logged over 638 training hours during our standard monthly training sessions in 2012. As always, if you are interested in the challenge of becoming a firefighter or EMT, please feel free to contact any one of our members. It's a very gratifying feeling to be the one who drops what they're doing and responds when the pager goes off because somebody in your community needs help and has called 9-1-1!! Consider giving it a try!

As a Department, we responded to 175 calls in 2012. Of these, 77 were medical aid calls. The remaining 98 calls were a combination of routine alarm activations, motor vehicle accidents, structure fires, chimney and car fires, etc. The call detail is provided below. It is interesting to note that Kensington provided mutual aid responses to neighboring communities a total of 15 times in 2012. This is a reciprocal arrangement with other towns that are part of the Mutual Aid agreement where nearby towns provide additional resources when needed. Mutual Aid calls range from fighting a large structure fire in a neighboring community, to supplying an ambulance if a neighboring town in unable to fill a crew. Many people think of Kensington receiving mutual aid assistance because we are a small town, which does happen occasionally. You should be aware that we also provide Mutual Aid responses on a regular basis.

Thank you Kensington residents for your continued support,

Chief Charles LeBlanc

And members of Kensington Fire and Rescue

## 2012 Fire Warden Report

### Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wild land fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing <u>ANY</u> outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or <a href="www.des.state.nh.us">www.des.state.nh.us</a> for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at <a href="www.nhdfl.org">www.nhdfl.org</a>.

Due to a record warm winter and little snow, our first fire occurred on February 4<sup>th</sup> with several more early fires to follow. Normally a large percentage of the warm windy days with low humidity occur when the ground is saturated from a long snow covered winter. By the time the surface fuels and ground dry out enough to burn, we only have a few weeks until "green up". This year however we had an extended period of these favorable spring fire conditions. Our largest fire in the state was 86 acres. The average size fire was .6 acres. Extensive summer rains kept total acreage burned to near normal levels

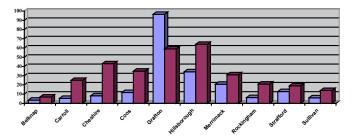

As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Several of the fires during the 2012 season threatened structures, a constant reminder that forest fires burn more than just trees. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

## 2012 Emergency Management Report

2012 Annual Report
Emergency Management
Kensington, New Hampshire

### **Summary:**

2012 was a transition year for the Emergency Management (EM) organization within the Town of Kensington. The year saw a change in Directors, an increase in staffing, and an increased presence within the community.

### Staffing:

2012 realized a change in personnel supporting the Emergency Management function. Robert Gustafson was appointed as the Emergency Management Director (EMD), replacing Mark Pride. Bob is retired from industry and has a background in Engineering and Information Technology supporting Aerospace and Utilities.

Jason Greene was appointed as the Emergency Management Deputy Director (EMDD), a position available in Kensington but has not been filled for many years. Jason is a veteran of the United States Marines, and is presently a Lieutenant with the Exeter Fire Department.

### **Significant Achievements:**

2012 saw considerable activity for the EM organization highlighted here.

This was a year for a Graded Exercise at the Seabrook Nuclear Power Plant which required participation from EM. Working in concert with the New Hampshire Department of Homeland Security (NHDHSEM), the Kensington Fire Department, the Kensington Police Department, the Kensington Road Manager, the Kensington Elementary School, and the Board of Selectmen, EM participated in a table top discussion, two practice drills, and the April 17, 2012 Graded Drill.

Hurricane Sandy struck the seacoast region on October 29<sup>th</sup> and 30<sup>th</sup>. EM activated the Emergency Operations Center and, with the assistance of the Kensington Fire Department and the Kensington Police Department staffed the facility until approximately 10:00pm when both the two telephone systems in the EOC (Comcast and Fair Point) failed. At that time the EOC was closed.

The EMDD developed a Facebook account for Kensington Emergency Management in 2012. This Facebook capability allowed EM to continually update the community on storm related events even with two phone systems not active. This is a function that will continue in the future.

## 2012 Emergency Management Report

EM chaired the working group that served as the representatives of the Kensington Hazard Mitigation Plan update that occurs every 5 years. The plan update is being done by the Rockingham Planning Commission with a grant from the Federal Emergency Management Agency (FEMA). This will also serve as a basis for the Emergency Operations Plan (EOP) project starting in 2013, and as input into the Capital Improvement Plan (CIP) being started by the Planning Board.

EM attended regular quarterly briefings provided by Seabrook Station and done in conjunction with NHDHSEM.

EM attended regular quarterly meetings of the Seacoast Public Health Region planning sessions.

EM attended the Emergency Management Conference in June, 2012. This resulted in bringing the National Flood Insurance Program back into focus, and NFIP has subsequently been recommended by the Kensington Planning Board.

EM attended many training sessions throughout the year.

EM has taken an active part in the twice monthly Selectmen's meeting.

### 2012 Road Manager Report

Due to the mild winter and minimal snow totals, there was a huge cost savings in the plowing and sanding line item in the budget.

Speed bumps were installed on Trundlebed Lane to help reduce speeding and hopefully keep our children safe. Many complaints were filed with the Town so a decision was made to replace the speed bumps with speed tables which have been working well.

Tree cutting was completed along our Town roads. This process is typically done every five years. During the first week it looks devastating, but once the brush grows back it is barely noticeable.

A second coat of pavement was applied to Stumpfield Road, Weare Road and Hoosac Road this year. Much to the delight of the homeowners on Oakridge Road, their street was reconstructed using the warrant article funds.

I'd like to remind everyone of our winter snow ordinance below:

Within the Town of Kensington, from November 15<sup>th</sup> to April 15<sup>th</sup>, it shall be unlawful for any person to cause or allow their motor vehicle to stop, stand, or park on any public street when such action prohibits or interferes with the operation of snow removal and clean up. Any notification or attempt thereof to the owner or custodian from the office of Selectmen, their designee, or any police officer shall be sufficient notice for compliance. Failure to comply with said notice may result in the removal and storage of any vehicle at owner's expense.

Respectfully Submitted,

**David Buxton** 

Road Manager

## 2012 Assessing Revaluation Notice from Avitar

Town of Kensington 2013 Property Valuation Update

The Town of Kensington will be performing a valuation update in 2013 to appropriately adjust property assessment values to reflect current market sales data. The last valuation update took place in 2008, which has prompted the town to perform this state mandated update 5 years later. In the 5 year period since 2008, the contract assessor (Avitar) has visited every home as part of the random sampling process. The random sampling was done by taking 25% of the town properties each year, excluding properties visited in prior years during the 5 year span. Visiting all the properties helps to ensure the data that is used to compute assessments are accurate. That is not to say the system is perfect, errors still may occur and we do not want them to perpetuate. So we ask that all taxpayers review their new assessments online and verify the data.

A letter will be sent with preliminary values, along with a user name and password, for property owners to view the data online. Taxpayers share an obligation to ensure the data that will ultimately "drive" their assessment, and thus their tax bill, is accurate. The preliminary values will be created by analyzing all the sale data in town. Only arm's length sales will be used – this means sales where a relationship between parties existed, bank sales, foreclosures or short sales are <a href="NOT">NOT</a> relied upon. These sales are excluded because typically they are sold at below market value, which should not be used to derive an opinion of fair market value. Since the last valuation update in 2008, the market has declined, which based on sales reviewed in 2012, was about 17%. This will mean for most property owners, assessment values will likely decline.

Once the pool of sales has been analyzed and properly vetted, a model is created based on the information. The model is comprised of tables for creating base land and building values. The town is then driven parcel by parcel and field reviewed to ensure all the information used to analyze the sales is then consistently applied throughout the town. This is often when people see the Assessor and because we are not visiting each house, assume we are doing a drive-by assessment. Remember, this is not the case as each home in town has been visited previously even if you don't remember seeing someone. After the town review, this is when letters are mailed with new preliminary values and sent to all property owners. It is important you read the letter.

Each taxpayer has the opportunity not only to view data online, but also to make an appointment to come and talk with an Assessor about the new value(s). Values are preliminary, as the hearings process may change values based on new information obtained. After the hearing period, any changes to value will prompt new letters to go to the property owners to notify them of the change. For most taxpayers, property is their largest asset, and because of this we take this process very seriously and strive to make the data as accurate as possible. We also understand this can be stressful for some and will try our best to make the process as seamless and easy for the taxpayer as possible.

If you have any questions, concerns, or general comments about how the process can be made easier, please contact us at the Assessor's Office.

## 2012 Cemetery Trustees Report

#### **CEMETERY TRUSTEES REPORT 2012**

The Cemetery grounds were in pristine shape for the annual Memorial Day parade and ceremony. Mowing and trimming operations were curtailed during the summer to save funds in order to complete repairs to the stones. We received many negative comments pertaining to the appearance of the Cemetery, however, by Fall it was back to its previous condition. At that time, unfortunately it was too late to continue with stone repair which we now plan to finish in the Spring. The Trustees thank the "crew" for their care and diligence in maintaining the cemetery grounds

#### **REMINDERS**

Artificial flowers are not to be placed at gravesites. Wires cut accidentally by lawnmowers can cause serious injury to both the mower and the person mowing.

Christmas decorations should be removed by April 15th and Memorial Day decorations by November 1st. By following these guidelines, we hope to keep the cemetery looking well maintained.

The Cemetery Trustees must approve the size and location of headstones or markers before they are installed on the individual plots. Approval is also needed before planting any tree, shrub or other perennial.

The cemetery is closed to traffic and burials through the winter months, but will reopen in the spring as soon as road and frost conditions permit. The iron gates are closed all year, except for Memorial Day weekend.

#### **BURIAL PROCEDURES**

Every Town resident is entitled to a burial plot free at the time of his or her death. Kensington is the only town in New Hampshire, that we know of, that has established this privilege. There are two gravesites to a plot for a couple, one for a single person.

In the event of a death, the family should contact the town office, or one of the Cemetery trustees. If the family has not already selected a plot, the Cemetery trustees will assist them.

### Cremation

Increasingly people are choosing cremation; standard burial procedures need to be followed:

A trustee must be notified before burial of ashes.

The ashes must be placed in a permanent container (concrete, bronze or synthetic material).

A burial permit must be filed with the town clerk.

## 2012 Cemetery Trustees Report Cont.

#### **Winter Burials**

Due to weather, road conditions and frozen or muddy ground, the Dearborn Cemetery will not be open for winter burials. An exception will be considered at the discretion of the cemetery trustees, taking into account the amount of snow and ground condition. The town burial vault is available for storage until spring.

#### **Perpetual Care**

Although the town has an annual budget to maintain the cemetery, it is not adequate to keep individual stones cleaned and in repair. This duty is the responsibility of the family, however, often there is no longer a family member residing in town and the stones fall into disrepair. Perpetual care is a fund established to help with this situation. The cemetery trustees urge families who have plots that do not

yet have perpetual care established for them to	Proposed 2013 Cemetery Budget
do so soon. The suggested amount	Wages\$13,750.00

# 2012 Conservation Commission Report Annual Report for Kensington Conservation Commission 2012

Following town approval in March of the warrant article allocating \$7,000 from the change of use tax, the majority of 2012 was spent developing the Natural Resource Inventory (NRI) for Kensington's updated master plan. The Conservation Commission contracted the Rockingham Planning Commission to help develop a NRI to prioritize areas of high ecological value. Resident George Gavutis is writing the introduction for the NRI and provided valuable information about the town's natural resources. The 50+ page document will be finalized in early 2013 and contains an overview of natural resources features including soils, water, and flora and fauna, among other topics.

10.28 acres of Sargent land was purchased by the Town of Kensington for \$54,823 from the Conservation fund (funded by land use change tax) in early 2012. This property is valuable for conservation since it abuts existing conservation land, has prime farmland soil, is a source water protection area, and has high quality wildlife habitat. The Conservation Commission worked with the Southeast Land Trust, the group that will ultimately hold the conservation easement, to place the parcel in a conservation easement and to develop easement language. A warrant article has been drafted for town vote in 2013 to finalize the easement.

The Conservation Commission met with residents from various locations in town to discuss conserving parcels of land. However, the group's efforts to conserve parcels of land has been hampered by the March 2012 town vote to reduce the amount of the change of use tax towards the Conservation Commission funds from 50% to 25%. The Conservation Commission continues to look into grant options to offset costs of placing land in conservation.

Members of the Conservation Commission attempted to eradicate woolly adelgid, an invasive species, on hemlock trees in the Charles Hodges conservation area. However, the infestation was too profound. and the group is seeking information about alternative methods of eradication. An article about woolly adelgid was written and published in the town newsletter.

Several Department of Environmental Services (DES) complaints were investigated by the Conservation Commission on North and Stumpfield Roads, in addition to other areas. A waiver for a septic system on a steep slope was also reviewed. Damage to the Charles Hodges conservation land was also investigated. When necessary, the Conservation Commission members discussed these issues and filed appropriate paperwork.

An agreement between the Hidden Hollow Farm and the town was brokered by the Conservation Commission to hay the field on the Great Brook Conservation area. In addition, a grant from NH Fish and Game was applied for and awarded to brush hog the edge of this field.

Members of the Conservation Commission attended several workshops this year, including a climate change workshop at UNH and participation in a climate change awareness activity. Joan Skewes and Bob Gustafson worked on the Hazard Mitigation Committee to update the hazard mitigation strategic plan. The group continues to gather information about the town's natural resources and any dangers to them by attending additional workshops, reading articles, and other methods of keeping informed.

ф

### 2012 Historical Society Report

The Historical Society of Kensington NH Inc celebrated it's 40th year in 2010. It was incorporated on November 10, 1970.

Article 2 states "The object for which this corporation is established is:

To preserve the historical records of the town;
To preserve an maintain its antiquities;
To interest and encourage the younger generation in perpetuating the traditions of the town."

We appreciate the help and support we receive from the people in Town and others that are interested in the Town.

We hope that maintenance of the structures that make the Town what it is will continue and the support to do so will come forth.

#### The Current officers are:

President: Lorraine O'Keefe Vice President: Elaine Bodwell Secretary: Joan Webber

Treasurer: Frank Whittemore

### **Board of Directors:**

Carl Rezendes
Jan MacQuarrie
Lynne Monroe
Richard Fyler
Rudi Seitz

## 2012 Recreation Department Report

2012 Kensington Recreational Department Annual Report

Residents of Kensington,

ф

We had a great year in the own of Kensington! The Recreation Department had a lot of fun events scheduled throughout this past year that were huge successes!

Our first event of the year is the ever popular Father / Daughter Dance! This year it was SOLD OUT as usual! The event is held at the Kensington American Legion Hall right before Valentine's Day. This is always such a special event for all the girls and their daddy's. We served refreshments and had a DJ to provide music for dancing all night. The dance floor was packed and the happy screaming was most likely heard throughout the entire town. Complimentary photos were taken of the girls with their dad's and their friends and passed out at the school. We look forward to this event every year!

In April, we host our annual "Eggstravaganza" at Sawyer Park. This is always another highly attended event! We spread thousands of eggs throughout the upper and lower fields and a separate area for the little ones in the lower fields. The kids take off running and scoop up the eggs just as fast as they can while parents snap photos. Refreshments are served and we have a visit from the Easter Bunny too!

In July, we have out annual Kensington Town Festival at Sawyer Park. This year we kicked off the weekend festivities with a "Cruisin' Night" at the park. A DJ played oldies and at least 25-30 old cars came for all too see. We gave away a "Best in Show" trophy.

On Saturday of Olde Homes Days weekend, we started the day out with a 5K which was a huge success. We doubled our participant numbers from the last time we did the run. The day was a busy one complete with everything from face painting, to pony rides, to Corn Hole & Home Run Derby tournaments, pie eating, and finishing off the day with an amazing fireworks show!

Summer Camp was a success again this year. It ran for 5 weeks this year and each week was a different theme. There was a beach day each week and guest speakers for each theme came to visit each week. Thankfully the weather was good this summer and we did not have too many rainy days where the kids had to go to the KES gymnasium for shelter.

The last event we hosted for the year was the wildly successful Halloween party! This year we had the party at Sawyer Park and it worked out amazingly. We had a "Spooky Walk" throughout the trails at the park which was great! There were "scary" and "non-scary" walks done for the little ones. There was a DJ and dancing, snacks provided, and costume parades & contests. Great fun had by all!

The Recreation Committee meets on the second Wednesday of every month at 5:30PM at the Kensington Country Store and all are encouraged to come. We look forward to hearing your suggestions. If you would like to volunteer to help for one event per year or all events or if you are interested in hearing more about what we are working on, we welcome you to attend one of our meetings. The current members of the Recreation Committee are Leslie Del Sesto, Jodi Lefebvre, Heather Ritter, Donna Carter, and Janet Bunnell.

### 2012 SRRD Report

### SOUTHEAST REGIONAL REFUSE DISPOSAL DISTRICT 53B

The Southeast Regional Refuse Disposal District was established in 1988 under RSA Chapter 53-B. The District is authorized to provide four facilities: recycling, landfill, septage, and waste-to-energy. Each member municipality can participate in one or more of the District's facilities and the various costs and expenses are apportioned among the members.

The District is presently made up of ten member towns: Brentwood, Fremont, Hampton, Hampton Falls, Kensington, New Castle, North Hampton, Rye, Sandown and South Hampton. It is intended that the interests of all member municipalities, be they large or small, be protected. Also provided is flexibility in developing solutions to joint solid waste problems.

In 2012 Household Hazardous Waste Day events were held on May 19, 2012 in Hampton and on September 22, 2012 in Brentwood. Both events were very successful with Hampton serving 357 households and Brentwood serving 256. Those who chose to participate were able to dispose of materials such as paints, pesticides, batteries, household cleaners, and pool chemicals as well as electronic devices such as televisions, computers and air conditioners. Keeping these materials out of our landfills and precious water resources is a benefit to all of us that is difficult to measure. The District is pleased to provide this service to its members each spring and fall and encourages participation of as many households as possible.

The Southeast Regional Refuse Disposal District started out its 2012-2013 fiscal year on April 1, 2012 with an Operating Budget of \$22,920.00. The December 31, 2012 financial reports show expenditures to date of \$7054.34 with 69.22% remaining. The Household Hazardous Waste portion of the budget was set at \$30,000.00. As of December 31, 2012 \$696.30 remained in that budget, or 2.32%. The financial statements presented by auditors Weidema and Lavin, CPA's, PA, confirmed a surplus of \$51,654.00 as of year ended March 31, 2012. At the District's March 2012 Quarterly Meeting it was voted to retain that surplus fund balance and restrict it to future endeavors to allow necessary research and hire consultants for a new solid waste contract as the current contract expires.

I would like to thank all the representatives and alternates from all the member towns for their participation and efforts over the past year.

Respectfully submitted, Everett (Bud) Jordan, Chairman SOUTHEAST REGIONAL REFUSE DISPOSAL DISTRICT 53B

### 2012 Planning Board Report

## Report of the Planning Board 2012

Honorable Board of Selectmen

Citizens of Kensington

With the assistance of the Rockingham Planning Commission (RPC), the Planning Board continues with work on Kensington's Master Plan. During 2012, the RPC worked with Conservation Commission on a Natural Resources Inventory and the Natural Resources Chapter for the Master Plan. The Planning Board intends to keep working with RPC to continue writing chapters for the Kensington Master Plan.

The Planning Board also worked with the RPC on recodification of the Zoning Regulations. This work will continue through the first-half of 2013.

The Planning Board has worked with the RPC and the Kensington Emergency Management Committee to investigate further how the Town would become a member of the National Flood Insurance Program. In addition, this investigation included impacts to individual residents in Town.

During the town meeting in March 2012, the Aquifer Protection Ordinance was passed; the Planning Board approved it during the November 2011 meeting.

During the town meeting in March 2012, the redefining of an Abutter was passed; the Planning Board approved it during the December 2011 meeting.

The Planning Board approved the Road Frontage Definition (September 2012), the Driveway Submission Application (November 2012), and the redefining of the Commercial District. The changes will be included in the March 2013 warrant articles.

The Planning Board created an updated driveway permit during 2012.

The Planning Board developed a letter for the Board of Selectmen to send to property owners who have special exception/home occupations, to be sent out on a yearly basis.

Applications reviewed by the Planning Board this past year include: one subdivision plan, three driveway permits, and three lot line adjustments.

The Planning Board would like to invite interested residents to consider joining our Board as appointed alternate members. We generally have 2 open positions and there is no previous experience required; we are a group with diverse backgrounds and work experience.

We continually work to meet the needs and goals of Kensington, as allowed by zoning, subdivision, and site plan review regulations adopted by the Town and Board, respectively. We meet on the third Tuesday of the month at 7:30, and our meetings are always open to the public and we encourage residents to attend.

Respectfully Submitted on behalf of the Planning Board,

T. Kate Mignone, Chairman

## 2012 Kensington Public Library Report

### **Kensington Public Library 2012 Annual Report**

2012 was a year of changes. Library hours were cut back on Thursday night from 8pm to 5pm and on Fridays from 6 pm to 5pm. This was done to ensure that there were always two people covering the library at all times. Despite these decreases, the circulation held its own with 5,639 visits in the year.

Many people received e-readers (kindles, IPADs, etc.) for the holidays so the staff showed people how to download free e-books and audio books from Overdrive.com. The staff was trained by the New Hampshire coordinator of Overdrive so they were able to instruct people how to use their particular device.

The number of books requested by patrons through the inter-library loans increased substantially from 312 to 718. Due to our ILL's coordinator's efforts, we were able to get materials not in our collection to our patrons in a timely manner.

Patron usage of the public computer almost doubled from the previous year. Over 35 new library cards were issued. The meeting rooms were used almost three times as often as the previous year.

The Young Adult section was re-configured and a new rug was added.

Volunteers helped us in many ways this year. With support from the Friends of the Kensington Public Library as well as many generous local businesses, we were able to offer another educational and entertaining summer reading program this year. Volunteers helped out with the book sale and also purchased a coffee cart to accommodate the new Keurig machine for our patrons. They also purchased a Barnes & Noble Nook for our holiday raffle and were able to raise money to use for the summer children's programming. We welcome volunteers who would like to offer their time and talents to the Library. If you have an idea for a class you would like to offer at the Library or if you are interested in volunteering in another way, let us know.

Thanks to the Social Trustees, the reading room was repainted after repairing cracks in the wall.

Janet Szarmach resigned as Library Director in October after five years to take a job with the Teti Library at the Institute of Art in Manchester. The public trustees initiated a search for a new director and hired Susan Gilbert, who had been the Kensington School's librarian for the past six and a half years. She started on November 11, 2012.

In October, it was necessary to dig a new well on the library grounds after it became evident that we couldn't use the school's well any longer. As a result we had some plumbing issues which were resolved and the damage to the lawn and landscaping will have to be resolved in the spring.

Window air conditioners were added to the reading room this year.

The library hired Joan Sweeney (bookkeeper) to help the director with Quick Books.

The trustees continue to work on parking issues in the front.

Peregrine Energy did an energy audit and suggested some ways to improve efficiency: blower door test, programmable thermostats and motion sensors for the stacks. The thermostats were installed and they will re-visit in early 2013 to discuss the other changes.

### 2012 Kensington Public Library Cont.

### **Ongoing Events/Activities:**

Library Lego Lovers Club

Preschool programs on Tuesdays and Wednesdays at 10:30 am

**READS Dog visits** 

**Summer Reading Program** 

Extensive weeding of collection

Purchasing of new titles in a variety of formats

### 2012 Rockingham Planning Commission

#### **ROCKINGHAM PLANNING COMMISSION WORK EFFORTS**

**JANUARY 1, 2012 - DECEMBER 31, 2012** 

The Rockingham Planning Commission assisted in providing the maps and defining the commercial and residential zones in town. RPC continued to provide development review assistance as well as facilitated the Town's Hazard Mitigation Plan update and Natural Resource Inventory that will be included within the Town's Master Plan.

### 2013 KES School District Warrant

### KENSINGTON SCHOOL DISTRICT 2013 WARRANT

To the inhabitants of the School District of Kensington, County of Rockingham, State of New Hampshire, qualified to vote upon District affairs:

You are hereby notified to meet as follows:

ф

FIRST SESSION: At the Kensington Elementary School in said Kensington on Wednesday, February 6, 2013 at 6:00 p.m. for explanation, discussion, debate, and possible amendment of the following warrant articles:

- 1. Shall the Kensington School District raise and appropriate an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$2,680,495? Should this article be defeated, the default budget shall be \$2,831,122 which is the same as last year, with certain adjustments required by previous action of the Kensington School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$ 2,680,495 as set forth on said budget.)
- 2. Shall the Kensington School District enter into a collective bargaining agreement with the Kensington Education Association (the union representing the teachers) covering the three year period from September 1, 2013 to August 31, 2016, and approve the cost items included therein containing the following increases in salaries and benefits over the preceding year: \$48,967 in 2013-2014, \$49,804 in 2014-2015, and \$43,007 in 2015-2016?

And, further to raise and appropriate the sum of \$48,967 for the 2013-2014 year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels in the prior fiscal year. (The School Board recommends that the School District enter into this agreement and make the appropriation of \$48,967.)

(Note: This agreement includes a change in the teachers' contribution toward medical insurance plans. The Point of Service Plan contribution will increase from 17% to 19% in years 1 and 2, then 20% in year 3. The HMO Plan contribution will increase from 12% to 14% in years 1 and 2, then 15 % in year 3.)

- 3. To hear reports of agents, auditors, and committees or officers heretofore chosen.
- 4. To transact any other business which may legally come before the meeting.

### 2013 KES School District Warrant

SECOND SESSION: At the Kensington Elementary School in said Kensington on Tuesday, March 12, 2013 to choose the following School District Officers: One School Board Member for a three year term, a School District Treasurer for a three year term, a School District Auditor for a one year term, and vote on article 1 and 2 above, as those articles may be amended at the First Session; by ballot, the polls to open at 8:00 a.m. and to close no earlier than 7:30 p.m.

Given under our hands at said Kensington on this 9th day of January, 2013.

KENSINGTON SCHOOL DISTRICT SCHOOL BOARD:

Alice Mower

Gary Bonitatibus

Barbara Darby

Ф

### 2013 KES Deliberative Session Minutes

Kensington School Deliberative Session February 6, 2013

The Moderator, Bob Solomon, called the session to order at 6:05 PM. Mr. Solomon led the meeting in a salute to the flag. Mr. Solomon then introduced the School Board members, Mrs. Switzer, Mr. Flynn and the School District Clerk. He then explained that this was the first session of the School District meeting as Kensington is a SB2 Town. The first session is a Deliberative Session and voting will be held on March 12, 2013.

Mr. Solomon read the Warrant as follows:

1. Shall the District raise and appropriate an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$2,680,495? Should this article be defeated, the operating budget shall be \$2,831,122 which is the same as last year, with certain adjustments required by previous action of the District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(The School Board recommends \$2,680,495 as set forth on said budget.)

Mrs. Mower addressed the meeting and thanked everyone for coming. She explained the increases in this year's budget and stated that the KES Staff, Administration, and School Board worked hard to bring the budget in line due to the present economic situation and concern voiced by the town in previous years. Mrs. Mower indicated that the budget is down 11.1% as compared to last year and including the expenditure of Article 2. the budget will be down 9.5%. Mrs. Mower reviewed some of the line items that have decreased which included teachers' salaries as two teachers are retiring and will not be replaced, professional services for ESOL has decreased because there will be less students serviced, less Special Education aides because of the drop in enrollment and the 10 year bond for the addition will be paid. Mrs. Mower also stated that the one increase will be Special Education tuition as there may be one student who will need an outside placement at a projected cost of \$45,000 which if not used will be returned to the town and stated that last year the school district returned \$85,000 to the town and \$92,000 the previous year. Mrs. Mower also indicated that the lunch program is a self-sufficient program and does not impact the budget.

Jim Thompson asked why the two teachers were not going to be replaced. Mrs. Mower answered that because of the decrease in enrollment it would not be necessary to replace them.

Mrs. Felch asked what the projected enrollment is and was told that there would be 133 students next year.

Mr. Galitski asked why the enrollment was dropping and Mrs. Mower stated there were just less elementary aged students in Kensington.

Mrs. Felch then asked how many teachers would be at KES next year. Mrs. Mower stated there would be 9 classroom teachers next year. Mrs. Felch indicated that the state would allow 25 - 30 students per classroom. Mrs. Mower stated the School Board looks at the dynamics of the class in determining class size.

Grace Beason asked what the student-teacher ratio is in the other elementary school in the SAU and was told that all are comparable to Kensington.

Mr. Waldron asked if the para-professionals at KES receive health insurance and was told that they do not. He then asked that when the Obama plan takes effect will the district need to provide health insurance. Mr. Flynn indicated the plan only affects those businesses with more than fifty employees and KES does not employ fifty people.

### 2013 Deliberative Session Minutes

Mrs. Macek asked for clarification regarding the \$50,000 line item for the lunch program and was told that the state requires the line item be on the operating budget but that it does not impact tax payers.

There was no further discussion nor were any amendments offered.

Mr. Solomon read Article 2 as follows:

Shall the Kensington School District enter into a collective bargaining agreement with the Kensington Education Association (the union representing the teachers) covering the three year period from September 1, 2013 to August 31, 2016, and approve the cost items included therein containing the following increases in salaries and benefits over the preceding year: \$48,967 in 2013-2014, \$49,804 in 2014-2015, and \$43,007 in 2015-2016?

And, further to raise and appropriate the sum of \$48, 967 for the 2013-2014 year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels in the prior fiscal year. (The School Board recommends that the School District enter into this agreement and make the appropriation of \$48,967.)

(Note: This agreement includes a change in the teachers' contribution toward medical insurance plans. The Point of Service contribution will increase from 17% to 19% in years 1 and 2, then 20% in year 3. The HMO Plan contribution will increase from 12% to 14% in years 1 and 2, then 15% in year 3.)

Mrs. Mower stated that the percentage that teachers contribute to their health insurance was a key point in the negotiations. Secondly, the teachers agreed to work one additional day at no cost to the taxpayers.

Mrs. Felch asked if next year's budget would show a decrease in the cost of health insurance and was told that it would.

There was no further discussion or amendments to the article.

There were no further reports of agents, auditors or committees to come before the meeting.

Mr. Bonitatibus presented Mrs. Mower with a gift in honor of her nine years on the Kensington School Board and thanked her for all of her time and effort on the board.

Mrs. Switzer presented flowers to Mrs. Mower and thanked her profusely for all of her support to the administration, staff and students of KES.

Mr. Flynn presented Mrs. Mower with a certificate and gift from the SAU for her service to the SAU.

The meeting adjourned at 6:33 PM.

Respectfully submitted,

Margaret Ruggeri School District Clerk

## 2013 KES Default Budget

## **DEFAULT BUDGET OF THE SCHOOL**

OF: KENSINGTON\_\_\_\_NH

,	
	Fiscal Year From July 1, _2013to June 30, _2014
	RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.
	1. Use this form to list the default budget calculation in the appropriate columns.
	Post this form or any amended version with proposed operating budget (MS-26 or MS-27) and the warrant.
	3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

## 2012 KES Principal's Report

Kensington Elementary School is one of the seven elementary schools in SAU #16. We began the 2012-2013 school year with 166 students in grades K-5. You may learn more about SAU #16 and KES by visiting <a href="www.kes.sau16.org">www.kes.sau16.org</a>. Our Mission Statement is "At Kensington Elementary School, we work together with families and community members to provide a safe learning environment that fosters academic, emotional, social and physical growth for all students".

The 2012-2013 school year promises to be a very exciting and busy one for the whole community of Kensington. Once again, the PTO and Enrichment Committee have put together a calendar of events/activities for staff, students and families. Please see the monthly KES calendar on our web site to learn more about these events/activities. For our eighteenth year, KES has received the Blue Ribbon Award for the outstanding volunteer program we have at our school. We would not be able to accomplish all that we do without the help of our parent and community volunteers. This year we hope to continue to develop new ways to involve more volunteers and seniors from the Kensington community in our school because they have so much to offer our children about their life experiences. We will continue to work with KYAA, the Kensington Recreation Department and the Kensington Public Library to sponsor events at KES that benefit the entire Kensington community.

The KES Vision Statement is "It is the vision of the KES families, staff and community that our students are prepared to be contributing members of the ever-changing world by becoming independent lifelong learners." We believe: in high academic standards; in celebrating the uniqueness of each child; all students can learn; children learn best in a safe and nurturing environment; learning is best when students and teachers are passionate about education; learning can be fun; children learn best when they are active participants in their educational choices; that a partnership between community, family and school is necessary for learning; clear expectations are a foundation for success; in holding children and adults accountable for their actions; in respect, responsibility and citizenship; in educating the whole child; in fostering the creativity in each child; in teaching children to understand themselves as learners; in fostering a strong sense of self; in promoting a healthy child; in fostering cooperation; in making students of Kensington aware of their place in the world; that good communication skills are necessary to succeed; in fostering social skills among children; in creating a cohesive environment; KES is a community; a successful student will possess good study habits; AND that all KES students will leave prepared to meet the challenges in their academic futures. The KES professional and support staff participate in ongoing professional development initiatives within the building, within the SAU and by attending outside offerings of workshops and/or college courses. Professional development is important to us as educators because it helps us to stay current on best practices, keeps us fresh and energized and keeps reinforcing the need for us to be life long learners. Through professional development and our Professional Learning Community (PLC), we are able to successfully achieve our annual school goals. For the 2012-2013 school year, the KES school goals can be found on our school website at www.kes.saul6.org.

Kensington Elementary School is THE BEST PLACE TO WORK AND VISIT! The building is filled with smiling, happy students who really care about one another and who are ready to learn about anything at any time. The staff is friendly, dedicated, creative, and knowledgeable and they all love children. At the end of the day, you can see staff standing in the hallways telling stories from the day and laughing with, or seeking support from, each other. The parents spend countless hours working along side of us in the classrooms, sponsoring school wide activities that allow us to enjoy each other in a playful way, assisting us by performing the routine tasks that must get done and cooperating with the staff to support their children with their daily school work. The Kensington School Board and the Kensington community continue to support all of our efforts and they truly value the importance of education for all children in Kensington. Once again, we are off to a great start at KES for the 2012-2013 school year. Hopefully, you'll visit our web site to see how we grow and learn together as we progress through this school year.

Barbara Guth Switzer Principal

## 2012 KES Deliberative Session

Kensington School Deliberative Session February 8, 2012

The Moderator, Bob Solomon, called the session to order at 6:05 PM. Mr. Solomon led the meeting in a salute to the flag. Mr. Solomon then introduced the School Board members, Mrs. Switzer, Mr. Flynn and the School District Clerk. Mr. Solomon explained that this was the first session of the School District meeting as Kensington is a SB2 Town. The first session is a Deliberative Session and voting is on March 13, 2012.

Mr. Solomon read the Warrant as follows:

Д

1. Shall the District raise and appropriate an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$3,015,094? Should this article be defeated, the operating budget shall be \$3,003,524 which is the same as last year, with certain adjustments required by previous action of the District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(The School Board recommends \$3,015,094 as set forth on said budget.)

Mrs. Camacho addressed the meeting and thanked everyone for coming. Mrs. Camacho explained the increases in this year's budget and stated that the KES Staff, Administration, and School Board worked hard to bring the budget in line due to the present economic situation.

Julie Noyes asked where the \$50,000 in the food service line item goes. Mrs. Camacho explained the rationale of why that amount is in the line item and noted the state requires that the amount be shown in the operating budget even though it is offset by revenues.

Mrs. Felch asked for further clarification and stated she did not understand. Mrs. Camacho explained that any incoming revenues from parents paying for lunches are used to offset the tax rate.

Mr. Waldron questioned the fact that the budget only shows the expenditures and not the revenues and asked that in the future perhaps the budget would include the incoming revenues.

Mrs. Felch again questioned where the money goes and was told that the Department of Revenue uses the revenues to offset the total budget and takes it into consideration when setting the tax rate.

Mrs. Camacho stated that Kensington School District does receive a few grants. Kensington receives approximately \$6,000. From the Title IIA Grant and about \$25,000 from the REAP Grant.

Mr. Waldron stated that in an October, 2011 Publication from Mike Morgan it was stated that Kensington's enrollment had decreased by about 10% yet the budget increased. Mr. Waldron stated that at last year's First Session he asked the School Board to look into multi-age grouping and asked if they had contemplated doing that.

## 2012 KES Deliberative Session Minutes

Mrs. Camacho stated that yes indeed the board had discussed it but did not implement it.

Mrs. Felch stated that she looked at the staff list and counted 12 regular teachers not counting art, music, PE, literacy, library, math and technology personnel. In addition, she counted 11 teaching assistants and stated that was too many staff for 183 students and she felt it was wrong. Mrs. Felch noted that the state would allow 25 to 30 students per class.

Mrs. Camacho corrected her to say that the State recommendation for Grade One is 20. Mrs. Camacho noted that the dynamics of the class is a factor in determining class size.

Mr. Waldron noted that in Mike Morgan's publication in October, 2011 it was stated that the cost of educating a Kensington student is \$13,669 and East Kingston is at \$12, 351. Mr. Waldron asked Mrs. Camacho if she could explain the cost differential.

Mrs. Camacho stated that perhaps the difference lies in SPED costs, teachers, etc.

Paul Flynn was recognized by the moderator and was asked if he could help explain the difference. Paul stated that there could be many reasons which could include class size, Special Education services, Technology etc. Mr. Flynn went on to clarify how the tax rate is set in Kensington and that the goal is always to have revenues exceed expenses.

Lisa Perreault asked if there would be a cut in staff for next year. Mrs. Camacho indicated there were no plans at this time to cut staff. Mrs. Perreault asked where the money would go if, at a later date, staff was cut. Mrs. Camacho stated that the money would remain in the operating budget until the end of the fiscal year.

Mr. Solomon then stated that much of the discussion would be more appropriately addressed at a school board meeting and encouraged people to attend the meetings with their concerns.

Kathie Felch moved to amend the article to read:

1. Shall the District raise and appropriate an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$2,713,584? Should this article be defeated, the operating budget shall be \$3,003,524 which is the same as last year, with certain adjustments required by previous action of the District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends the default budget of \$3,015,094)

Mr. Felch seconded the motion.

Jim Thompson asked where the cuts would be made. Mrs. Camacho noted it would probably impact staff.

Mr. Waldron stated that rather taking all the money from teaching staff could some from the after-school programs.

## 2012 KES Deliberative Session Minutes

Mrs. Camacho answered that there is no money in the operating budget for any after-school program.

Mrs. Mower stated that it would be difficult to find \$300,000 in the operating budget and indicated it would mean cutting staff.

Mr. Bonitatibus stated that it was difficult to set class size in February due to the fact that there could be an influx of students over the summer that would impact class size.

There was no further discussion nor were any amendments offered.

The amended article was voted on and it did not pass.

Mr. Solomon then read the original Article 1. The vote was taken and was in the affirmative.

There were no further reports of agents, auditors or committees to come before the meeting.

Mrs. Mower presented a plaque to Mrs. Camacho in honor of her seven years on the Kensington School Board and thanked her for all of the time and effort put into school board business. Mrs. Switzer presented flowers to Mrs. Camacho and thanked her for all of her work regarding the Enrichment Program, The Wellness Committee and for her support of the school.

Mr. Ruggeri moved to adjourn the meeting. The motion was seconded by several persons. The meeting adjourned at 6:50 PM.

Respectfully submitted,

Margaret Ruggiri

## 2013 ERCSD Warrant

January 10, 2013 Public Hearing
WARRANT
EXETER REGION COOPERATIVE SCHOOL DISTRICT

To the inhabitants of the Exeter Region Cooperative School District, County of Rockingham, State of New Hampshire qualified to vote upon District affairs:

You are hereby notified to meet as follows:

FIRST SESSION OF THE ANNUAL MEETING (Deliberative Session): In the Arthur L. Hanson III Center for the Performing Arts at Exeter High School, 1 Blue Hawk Drive in Exeter, New Hampshire on Thursday, February 7, 2013, at 7:00 PM for explanation, discussion, debate, and possible amendment of the following warrant articles:

- 1. Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$52,700,000? Should this article be defeated, the operating budget shall be \$53,048,087, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board and Budget Advisory Committee both recommend \$52,700,000 as set forth on said budget.)
- 2. To hear reports of agents, auditors, and committees or officers heretofore chosen.
- 3. To transact any other business that may legally come before the meeting.

**SECOND SESSION:** At the polling places designated below on **Tuesday**, **March 12, 2013**, to choose the following School District Officers:

## 2013 ERCSD Default Budget

MS-DS

## DEFAULT BUDGET OF THE SCHOOL

OF: Exeter Region Cooperative School		
Fiscal Year From July 1, 2013 to June 30, 2014		

RSA 40:13, IX (b) "Default budget" **as** used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

- 1. Use this form to list the default budget calculation in the appropriate columns.
- 2. Post this form or any amended version with proposed operating budget (MS-26 or MS-27) and the warrant.
- 3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

#### SCHOOL BOARD

We have audited the financial statements of the governmental activities, major fund, and the aggregate remaining fund information of the Exeter Region Cooperative School District for the fiscal year ended June 30, 2012. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and Government Auditing Standards and OMB Circular A-133, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 4, 2012. Professional standards also require that we communicate to you the following information related to our audit.

#### Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Exeter Region Cooperative School District are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2011-12. We noted no transactions entered into by the School District during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the government-wide financial statements was:

Management's estimate of the useful lives of the capital assets is based on historical information and guidance provided by the industry. We evaluated the key factors and assumptions used to develop the useful lives of the capital assets in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

#### Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

## 2012 ERCSD Auditor's Report

Exeter Region Cooperative School District January 11, 2013 Page 2

#### Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### Management Representations

We have requested certain representations from management that have been included in the management representation letter, dated January 11, 2013.

#### Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the School District's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the School District's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

The following other matters were noted during the course of our audit:

- During our review of the School District's financial records, we noted the following departures:
  - O Upon review of the School District's investment policy it was noted that the policy had not been reviewed or updated since 2004. RSA 197:23-a states that the School Board shall review and adopt the investment policy on an annual basis. In addition, the policy does not reflect the necessary language to be in compliance with GASB Statement No. 40, which states that the policy should address issues involving custodial, investment and credit risk. We recommend that the School Board review and adopt the investment policy on an annual basis and that the policy be rewritten to incorporate the necessary GASB Statement No. 40 language.
  - Athletic officials are presently being paid from general fund appropriations which have been transferred to the student activity funds for ease and timeliness of payments to officials. At year-end the unspent balance remained in the activity fund which caused an overexpenditure of these funds in the general fund. Fortunately, an interfund receivable was recorded in the general fund for this item at year-end. We recommend that any balance remaining of this appropriation be transferred back to the general fund at year-end.

These matters have been discussed with the Business Administrator.

This information is intended solely for the use of School Board and management of the Exeter Region Cooperative School District and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

PLODZIK & SANDERSON Professional Association

### 2012 ERCSD Ballot Results

Article 2: Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Area Administrators' Association covering the two-year period from September 1, 2012 to August 21, 2014 which calls for the following increases in salaries and benefits at the current staffing levels:

Year	Estimated Increase
2012-13	\$ 27,863
2013-14	\$ 30,592

and further raise and appropriate the sum of \$27,863, for the 2012-13 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Pursuant of the RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed, (The School Board and the Budget Advisory Committee both recommend this appropriation.)

Yes 2,469 No 1,757

Article 3: Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Cooperative Paraprofessional Association covering the three-year period from September 1, 2012 to August 31, 2015 which calls for the following increases and benefits at the current staffing levels:

Year	Estimated Increases
2012-13	\$ 44,962
2013-14	\$ 69,641
2014-15	\$70,863

and further raise and appropriate the sum of \$44,962 for the 2012-13 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School Board and the Budget Advisory Committee both recommend this appropriation.)

Yes 2,385 No 1,859

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen Town of Kensington, New Hampshire

& COMPANY PC.

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Kensington, New Hampshire (the Town) as of and for the year ended December 31, 2011, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

As discussed in Note 2 to the financial statements, management has not recorded a liability for other post-employment benefits in governmental activities and, accordingly, has not recorded an expense for the current period change in that liability. Accounting principles generally accepted in the United States of America require that other post-employment benefits attributable to employee services already rendered and that are not contingent on a specific event that is outside the control of the employer and employee be accrued as liabilities and expenses as employees earn the rights to the benefits, which would increase the liabilities, reduce the net assets, and change the expenses of the governmental activities. The amount by which this departure would affect the liabilities, net assets, and expenses of the governmental activities is not reasonably determinable.

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the financial statements referred to previously do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the governmental activities of the Town of Kensington, New Hampshire as of December 31, 2011, or the changes in financial position thereof for the year then ended.

In addition, in our opinion, the financial statements referred to previously present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Town of Kensington, New Hampshire as of December 31, 2011, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages i-v and 21-22 be presented to supplement the basic financial statements. Such information, although not a part of the basic

financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Kensington, New Hampshire's financial statements as a whole. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the financial statements. The combining nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

## TOWN OF KENSINGTON, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS

Year Ending December 31, 2011

Presented herewith please find the Management Discussion & Analysis Report for the Town of Kensington for the year ending December 31, 2011. The responsibility for accuracy of the data, the completeness and fairness of this documentation (including all disclosures) rests with management. To the best of our knowledge and belief, the data contained herein is accurate in material aspects. This report and its content have been designed to fairly present the Town's financial position, including the result of operations of all the funds of the Town. All the disclosures necessary to enable and to assist the reader in acquiring an accurate understanding of the Town's financial activities have been included.

The Town's management is responsible for establishing accounting and internal control structures designed to ensure that the physical, data, informational, intellectual, and human resource assets of the Town are protected from loss, theft and misuse, and to ensure that adequate accounting information is maintained and reported in conformity with generally accepted accounting principles (GAAP). Management also strives to ensure that these assets are put to good and effective use. The internal control structure is designed to provide reasonable assurances that these objectives are attained.

Under the reporting provisions of the Governmental Accounting Standards Board's Statement No. 34 (GASB 34), this discussion and analysis provides some comparisons to prior years.

#### Overview of the Financial Statements

The financial statements presented herein include all of the activities of the Town of Kensington using the integrated approach as prescribed by GASB Statement 34.

This discussion and analysis is intended to serve as an introduction to the Town of Kensington's financial statements. The basic financial statements comprise three components:

- 1. Government-wide financial statements
- 2. Fund financial statements
- 3. Notes to the basic financial statements

#### Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to most private-sector companies.

The statement of net assets presents information on all of the Town's assets and liabilities, with the difference between the two reported as net assets. Over time, increases and decreases in net assets may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The statement of activities presents information showing how the Town's net assets changed during the most recent fiscal year. All of the current year's revenue and expenses are taken into account regardless of when cash is received or paid.

TOWN OF KENSINGTON, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS Year Ending December 31, 2011

#### **Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain the control over resources that have been segregated for specific activities or objectives. The Town uses fund accounting to ensure and to demonstrate compliance with finance-related legal requirements. The Town maintains two fund types: governmental and fiduciary funds.

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of expendable resources, as well as on balances of expendable resources available at the end of the fiscal year. Such information may be useful in evaluating the Town's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, our readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between the governmental activities statement of net assets and statement of activities.

The Town maintains several individual government funds. Information is presented separately in the government fund balance sheet and the statement of revenues, expenditures and changes in fund balance for the General Fund, the Town's only major fund.

The Town adopts an annual appropriation budget for its governmental funds. A budgetary comparison has been provided for the General Fund to demonstrate compliance with this budget.

Fiduciary funds are used to account for resources held for the benefit of parties outside of the Town. Fiduciary funs are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs.

#### Notes to the Basic Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

#### Government-Wide Financial Analysis

#### Statement of Net Assets

Net assets of the Town of Kensington as of December 31, 2011 are as follows:

## TOWN OF KENSINGTON, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS

Net assets - beginning of year	3,927,486	عيانه	3,954,828
Net assets - ending of year	\$ 3,737,755	\$	3,927,486

#### **Town of Kensington Activities**

The Town's net assets decreased by \$189,731 during the current year.

The General Fund shows a fund balance of \$415,831. This is a decrease of (\$143,058) from the prior year.

The total fund balance of \$294,641 in the other governmental funds is restricted for the purposes of the individually established fund. The largest portion of this total represents the balance in the Conservation Commission Fund (\$127,773 or 43%). The total fund balance in the other governmental funds increased \$41,251 from December 31, 2010.

In 2011, the Town adopted GASB 54 – *Fund Balance Reporting* which changed the way that some of the Special Revenue Funds were being reported. The Expendable Trust Funds, the Highland Farms Maintenance Fund and the Library Fund were combined with the General Fund for reporting purposes.

#### Capital Assets

The Town considers a capital asset to be an asset whose cost exceeds \$5,000 and has a useful life of greater than one year. Assets are depreciated using the straight-line method over the course of their estimated useful lives.

The Town's investment in capital assets for its governmental activities as of December 31, 2011 is \$4,854,579. However, this only includes infrastructure (roads, bridges etc.) of \$1,902,843 acquired since 2004 as those asset types acquired prior to that date were not recorded. Accumulated depreciation amounts to \$1,467,066, leaving a net book value of \$3,387,513. This investment in capital assets includes equipment and real property. Additions this year include 2 new vehicles totaling \$52,264, a new Town Hall roof in the amount of \$7,850, equipment of \$12,458, and donated fencing at Sawyer Park for \$9,000. See Note 6 in the Notes to the Basic Financial Statements for a summary of all capital assets.

## TOWN OF KENSINGTON, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS

Year Ending December 31, 2011

#### **Long-Term Obligations**

During 2011 the Town had a net decrease in general obligation bonds in governmental activities of \$40,000, as a result of scheduled payments on existing debt. Capital lease obligations in the governmental activities experienced an increase of \$32,945 as a result of 2 new capital leases for vehicles. See Note 9 to the basic financial statements for a detail of activity.

#### General Fund Budgetary Highlights

Budgetary information for the General Fund is included in the Required Supplementary Information section.

During the year, the original estimated revenues and the appropriations decreased by \$77,669 and \$78,538 for amounts to be carried over to the 2012 budget year.

Actual revenues on the budgetary basis were greater than the budgeted amount by \$79,590. The Town brought in additional revenues from licenses and permits of \$55,741 and in taxes of \$24,150.

The Town underspent its budget by \$28,288. The savings is mostly attributable to the highways and streets function (\$18,336).

#### Contacting the Town of Kensington's Financial Management

This financial report is to provide our citizens and creditors with a general overview of the Town's finances and to show a measure of accountability for the money it receives. If you have any questions about this report or need to get additional information, contact the Board of Selectmen at, 95 Amesbury Road, Kensington, NH 03833, Telephone number 603-772-5423.

	TOWN OF KENSINGTON, NEW HAMPSHIRE Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances of Governmental Funds to the Statement of Activities For the Year Ended December 31, 2011		Net Change in Fund Balances-Total Governmental Funds	Amounts reported for governmental activities in the statement of activities are different because:	Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which	depreciation expense exceeded capital outlays in the current period.	Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	Governmental funds only report the disposal of assets to the extent proceeds are received from the sale. In the statement of activities, a gain or loss is reported for each disposal. This is the amount of the loss of disposed central	assets reduced by the actual proceeds received from the sale of capital assets.	Donations of capital assets are not reported in the funds, but the in-kind donations increase net assets.	Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets.	Proceeds from capital leases are an other financing source in the funds, but a capital lease increases long-term liabilities in the statement of net assets.	Governmental funds report the effect of bond issuance premiums when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities.	In the statement of activities, interest is accrued on outstanding bonds, whereas in governmental funds, an interest expenditure is reported when due.	Change in Net Assets of Governmental Activities

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS For the Year Ended December 31, 2011

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Kensington, New Hampshire conform to accounting policies generally accepted in the United States of America for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

#### Financial Reporting Entity

The Town of Kensington, New Hampshire (the Town) was incorporated in 1737. The Town operates under the Town Meeting/Board of Selectmen form of government and performs local governmental functions authorized by State law.

The financial statements include those of the various departments governed by the Board of Selectmen and other officials with financial responsibility. The Town has no other separate organizational units, which meet criteria for inclusion in the financial statements as defined by the Governmental Accounting Standards Board (GASB).

#### Basis of Presentation

The Town's basic financial statements consist of government-wide statements, including a statement of net assets and a statement of activities, and fund financial statements which provide a more detailed level of financial information.

#### 1. Government-Wide Financial Statements:

The statement of net assets and the statement of activities display information about the Town as a whole. These statements include the financial activities of the primary government, except for fiduciary funds.

The statement of net assets presents the financial condition of the governmental activities of the Town at year end. The statement of activities presents a comparison between direct expenses and program revenues for each program or function of the Town's governmental activities. Direct expenses are those that are specifically associated with a service, program or department and therefore clearly identifiable to a particular function. Program revenues include charges paid by the recipient of the goods or services offered by the program, grants and contributions that are restricted to meeting the operational or capital requirements of a particular program and interest earned on grants that are required to be used to support a particular program. Revenues which are not classified as program revenues are presented as general revenues of the Town. The comparison of direct expenses with program revenues identifies the extent to which each governmental function is self-financing or draws from the general revenues of the Town.

#### 2. Fund Financial Statements:

During the year, the Town segregates transactions related to certain Town functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Fund financial statements are designed to present financial information of the Town at this more detailed level. The focus of governmental fund financial statements is on major funds. Each major fund is presented in a separate column. Nonmajor funds are aggregated and presented in a single column. The fiduciary funds are reported by type.

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

#### Fund Accounting

The Town uses funds to maintain its financial records during the fiscal year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The Town employs the use of two categories of funds: governmental and fiduciary.

#### 1. Governmental Funds:

Governmental funds are those through which most governmental functions typically are financed. Governmental fund reporting focuses on the sources, uses and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following is the Town's major governmental fund:

The General Fund is the main operating fund of the Town and is used to account for all financial resources except those required to be accounted for in another fund.

#### 2. Fiduciary Funds:

Fiduciary fund reporting focuses on net assets and changes in net assets. The fiduciary fund category is comprised of private-purpose trust funds. Trust funds are used to account for assets held by the Town under a trust agreement for individuals, private organizations, or other governments and are therefore not available to support the Town's own programs. The Town's only trust fund is one private purpose trust which accounts for grants and scholarship funds of the School District.

#### Measurement Focus

#### 1. Government-Wide Financial Statements:

The government-wide financial statements are prepared using the economic resources measurement focus. All assets and liabilities associated with the operation of the Town are included on the Statement of Net Assets.

#### 2. Fund Financial Statements:

All governmental funds are accounted for using a flow of current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The statement of revenues, expenditures and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental fund financial statements therefore include a reconciliation with brief explanations to better identify the relationship between the government-wide statements and the statements for governmental funds.

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

#### Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. Government-wide financial statements are prepared using the accrual basis of accounting. Fiduciary funds also use the accrual basis of accounting. Governmental funds use the modified accrual basis of accounting. Differences in the accrual and the modified accrual basis of accounting arise in the recognition of revenue, the recording of deferred revenue, and in the presentation of expenses versus expenditures.

In the government-wide financial statements, private-sector standards of accounting and financial reporting issued prior to December 1, 1989, are followed to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. The Town has elected not to follow the FASB pronouncements issued subsequent to November 30, 1989.

#### 1. Revenues - Exchange and Non-exchange Transactions:

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the year in which the resources are measurable and become available. Available means that the resources will be collected within the current year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current year. For the Town, available means expected to be received within sixty days of year end.

Non-exchange transactions, in which the Town receives value without directly giving equal value in return, include property taxes, grants, entitlements and donations. On an accrual basis, revenue from property taxes is recognized in the year for which the taxes are levied (see Note 3). Revenue from grants, entitlements and donations is recognized in the year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted; matching requirements, in which the Town must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the Town on a reimbursement basis. On a modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Under the modified accrual basis, the following revenue sources are considered to be both measurable and available at year end: property taxes and interest on investments.

Licenses and permits, charges for services, and miscellaneous revenues (except interest on investments) are recorded as revenues when received in cash because they are generally not measurable until actually received.

#### 2. Deferred Revenue:

Deferred revenue arises when assets are recognized before revenue recognition criteria have been satisfied. Grants and entitlements received before the eligibility requirements are met are recorded as deferred revenue. On governmental fund financial statements, receivables that will not be collected within the available period have also been reported as deferred revenue.

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

#### 3. Expenses/Expenditures:

On the accrual basis of accounting, expenses are recognized at the time they are incurred.

The measurement focus of governmental fund accounting is on decreases in net financial resources (expenditures) rather than expenses. Expenditures are generally recognized in the accounting period in which the related fund liability is incurred, if measurable. Allocations of cost, such as depreciation and amortization are not recognized in governmental funds.

#### **Budgetary Data**

The Town's budget represents functional appropriations as authorized by annual or special Town meetings. The Selectmen may transfer funds between operating categories as they deem necessary. The Town adopts its budget under State regulations, which differ somewhat from accounting principles generally accepted in the United States of America in that the focus is on the entire governmental unit rather than on the basis of fund types.

State law requires balanced budgets but permits the use of beginning fund balance to reduce the property tax rate. For the year ended December 31, 2011, the Town applied \$215,000 of its unappropriated fund balance to reduce taxes.

#### Encumbrance Accounting

Encumbrance accounting, under which purchase orders and other commitments for expenditure of monies are recorded in order to reserve a portion of the applicable appropriation, is employed as an extension of formal budgetary integration in Governmental Funds. Encumbrances outstanding at year end are reported as a component of fund balance since they do not constitute expenditures or liabilities, but rather commitments related to unperformed contracts for goods and services.

#### Investments

Investments are stated at their fair value in all funds. Certificates of deposit and repurchase agreements with a maturity of greater than ninety days from the date of issuance are included in investments.

#### Taxes Receivable

Taxes levied during the current year and prior and uncollected at December 31, 2011 are recorded as receivables.

#### Capital Assets

General capital assets result from expenditures in the governmental funds. These assets are reported in the government-wide statement of net assets, but are not reported in the fund financial statements.

All capital assets are capitalized at cost (or estimated historical cost) and updated for additions and retirements during the year. Donated capital assets are recorded at their fair value as of the date received.

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

The Town maintains a capitalization threshold of \$5,000. Improvements are capitalized; the costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not.

All reported capital assets except for land and construction in progress are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method over the following useful lives:

Description		Years
Land improvements	2	5-20
Buildings and improvements		15-40
Vehicles and equipment		3-20
Infrastructure		15

#### Compensated Absences

کو

Town employees may accumulate sick leave days up to a maximum of sixty days per year. No payment for unused sick leave is made upon termination. Town employees earn vacation at one week to four weeks per year dependent on length of service. No employee may carry over unused vacation time from one year to the next, without selectmen approval. Vacation time will be paid upon termination.

For governmental fund financial statements, compensated absences are reported as liabilities and expenditures as payments come due each period upon the occurrence of employee death or retirement. The entire compensated absence liability, if any, is reported on the government-wide financial statements.

#### Deferred Bond Premium

The issuance of general obligation bonds resulted in a difference between the bond proceeds and the actual principal to be repaid. This difference, reported in the accompanying financial statements as deferred bond premium, is being amortized as a component of interest expense over the remaining life of the debt. The balance of the deferred bond premium as of December 31, 2011 is \$16,826.

#### Accrued Liabilities and Long-Term Obligations

Except for the obligation for other post-employment benefits (see Note 2), all payables, accrued liabilities, and long-term obligations are reported in the government-wide financial statements. In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current resources are reported as obligations of the funds. Long-term obligations that will be paid from governmental funds are recognized as a liability in the fund financial statements when due.

#### Net Assets

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets, net of related debt consist of capital assets, net of accumulated depreciation. Net assets are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the Town or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

The Town's policy is to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

#### Fund Balance Policy

During the year ended December 31, 2011, the Town implemented GASB Statement 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. Statement 54 established new fund balance classifications and changes the definition of governmental fund types. As of December 31, 2011 the Town has not adopted a fund balance policy.

Under Statement 54, the Town has segregated fund balance into five classifications; Nonspendable, Restricted, Committed, Assigned, and Unassigned. These components of fund balance are defined as follows:

- Nonspendable Fund Balance: Amounts that are not in a spendable form or are required to be maintained intact.
- Restricted Fund Balance: Amounts constrained to specific purposes stipulated by external resource providers or through enabling legislation. Restrictions may be changed or lifted only with the consent of the resource providers or by the enabling legislation.
- Committed Fund Balance: Amounts that can be used only for the specific purposes determined by a formal action of the Town's highest level of decision making authority (annual Town Meeting). Commitments may be changed or lifted only by the governing body taking the same formal action that imposed the constraint originally. The governing body's actions must either be approved or rescinded, as applicable, prior to the last day of the fiscal year for which the commitment is made. The amount subject to the constraint may be determined in the subsequent period.
- Assigned Fund Balance: Amounts the Town intends to use for specific purposes. For all governmental funds other than the General Fund, any remaining positive amounts are to be classified as "assigned". The Selectmen expressly delegates this authority to the Town Administrator.
- Unassigned Fund Balance: Amounts that are available for any purpose; these amounts are reported only in the General Fund and any fund with a deficit fund balance.

#### Spending Prioritizations

In circumstances where expenditures are incurred for purposes for which both restricted and unrestricted fund balance is available, restricted fund balance is considered to have been spent first. When expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classification can be used, committed amounts should be reduced first, followed by assigned amounts then unassigned amounts.

#### Interfund Activity

Exchange transactions between funds are reported as revenues in the seller funds and as expenditures/ expenses in the purchaser funds. Flows of cash or goods from one fund to another without a requirement for repayment are reported as interfund transfers. Interfund transfers are reported as other financing

TOWN OF KENSINGTON, NEW HAMPSHIRE
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
For the Year Ended December 31, 2011

sources/uses in governmental funds. Repayments from funds responsible for particular expenditures/ expenses to the funds that initially paid for them are not presented in the financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include depreciation expense and estimated property tax collections received within sixty days of year end.

#### NOTE 2-STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

#### Other Post-Employment Benefits

Ф

The Town did not implement GASB Statement 45, Accounting and Financial Reporting by Employers for Post-Employment Benefits Other than Pensions. Statement 45 requires governments to account for other post-employment benefits (OPEB), primarily healthcare, on an accrual basis rather than on a pay-as-you-go basis. The provisions of GASB 45 were required to be implemented by the Town during the year ended December 31, 2010.

#### NOTE 3—PROPERTY TAXES

Taxes are levied on the assessed valuation of all taxable real property as of the prior April 1 (\$345,172,463 as of April 1, 2011) and are due in two installments on July 1, 2011 and December 20, 2011. Taxes paid after the due dates accrue interest at 12% per annum. Property taxes are recognized as revenue when received in cash or if available to finance current period operations (within sixty days of year end).

Under State law, the Tax Collector obtains tax liens on properties which have unpaid taxes in the following calendar year after taxes were due for the amount of unpaid taxes, interest and costs. These priority tax liens accrue interest at 18% per annum. If the property is not redeemed within a two year redemption period, the property is tax deeded to the Town.

In accordance with State law, the Town collects taxes for the Exeter Region Cooperative School District, Kensington School District and, Rockingham County, all are independent governmental units, which are remitted to them as required by law. The Town also collects State of New Hampshire Education taxes, which are remitted directly to the school district. Total taxes appropriated during the year were \$5,257,144 and \$327,942 for the Exeter Region Cooperative School District and Kensington School District combined, and Rockingham County, respectively. These taxes are not recognized as revenues in these financial statements. The Town bears responsibility for uncollected taxes.

#### NOTE 4—RISK MANAGEMENT

The Town is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During the year the Town was a member of the Local Government Center (LGC) and the New Hampshire Public Risk Management Exchange (PRIMEX). The Town currently reports all of its risk management activities in its General

TOWN OF KENSINGTON, NEW HAMPSHIRE
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)
For the Year Ended December 31, 2011

Fund. These Trusts are classified as "Risk Pools" in accordance with accounting principles generally accepted in the United States of America.

The LGC provides certain property and liability insurance coverage to member towns, cities, and other qualified political subdivisions of New Hampshire. As a member of the LGC, the Town shares in contributing to the cost of and receiving benefit from a self-insured pooled risk management program. The program includes a Self Insured Retention Fund from which is paid up to \$500,000 for each and every covered property, crime and/or liability loss that exceeds \$1,000.

PRIMEX provides statutory worker's compensation coverage to member towns, cities, and other qualified political subdivisions of New Hampshire. The Trust is self-sustaining through annual member premiums and provides coverage for the statutorily required workers' compensation benefits and employer's liability coverage up to \$2,000,000. The program includes a Loss Fund from which is paid up to \$500,000 for each and every covered claim.

The Trust agreements permit the Trusts to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported. Based on the best available information there is no liability at December 31, 2011.

#### NOTE 5—DEPOSITS AND INVESTMENTS

Deposits and investments as of December 31, 2011 are classified in the accompanying financial statements as follows:

Statement of Net Assets:

Cash	\$ 2,568,220
Investments	742,548
Statement of Fiduciary Net Assets:	
Investments	24,555
Total deposits and investments	\$ 3,335,323

Deposits and investments as of December 31, 2011 consist of the following:

Deposits with financial institutions	\$ 2,594,825
Investments	740,498
Total deposits and investments	\$ 3,335,323

The Town's policy for Governmental Fund deposits requires that they be made in New Hampshire based financial institutions that are participants in one of the federal depository insurance programs. The Town limits its investments to demand deposits, certificates of deposit, or the New Hampshire Public Deposit Investment Pool (NHPDIP) an external investment pool, in accordance with New Hampshire State law. Responsibility for the investments of the Trust Funds is with the Trustee of Trust Funds.

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

#### Credit Risk

Ф

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The Town's investment in the State investment pool is unrated.

#### Investment in NHPDIP

The Town is a voluntary participant in the New Hampshire Public Deposit Investment Pool (NHPDIP). The NHPDIP is not registered with the United States Securities and Exchange Commission as an investment company. The NHPDIP was created by state law and is administered by a public body of state, local and banking officials.

Investments in the NHPDIP are not investment securities and, as such, are not categorized by risk. The Town's exposure to derivatives is indirect through its participation in the NHPDIP. The Town's proportional share of these derivatives is not available. The fair value of the position in the investment pool is equal to the value of the pool shares.

#### Custodial Credit Risk

Custodial credit risk for deposits is the risk that in the event of a bank failure, the Town's deposits may not be returned to it. The Town's policy states that full collateralization will be required on nonnegotiable certificates of deposit and repurchase agreements. Of the Town's deposits with financial institutions at year end, \$2,322,819 was collateralized by securities held by the bank in the bank's name.

#### NOTE 6—CAPITAL ASSETS

The following is a summary of changes in capital assets in the governmental funds:

	Balance 01/01/2011	Additions	Disposals	Balance 12/31/2011
Governmental activities:				
Capital assets not depreciated:				
Land	\$ 1,066,679			\$ 1,066,679
Construction in progress		\$ 26,619	3	26,619
Total capital assets not being depreciated	1,066,679	26,619	\$ -	1,093,298
Other capital assets:				
Land improvements	235,164	9,000		244,164
Buildings and improvements	942,307	7,850		950,157
Vehicles and equipment	671,125	38,103	(45,111)	664,117
Infrastructure	1,902,843			1,902,843
Total other capital assets at historical cost	3,751,439	54,953	(45,111)	3,761,281

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

Less accumulated depreciation for:				
Land improvements	(44,054)	(12,358)		(56,412)
Buildings and improvements	(156,418)	(23,107)		(179,525)
Vehicles and equipment	(429,748)	(39,369)	38,074	(431,043)
Infrastructure	(673,230)	(126,856)		(800,086)
Total accumulated depreciation	(1,303,450)	(201,690)	38,074	(1,467,066)
Total other capital assets, net	2,447,989	(146,737)	(7,037)	2,294,215
Total capital assets, net	\$ 3,514,668	\$ (120,118)	\$ (7,037)	\$ 3,387,513

Depreciation expense was charged to governmental functions as follows:

General government		\$ 29,488
Public safety		33,678
Highways and streets		113,113
Culture and recreation		25,411
		\$ 201,690

The balance of the assets acquired through capital leases as of December 31, 2008 is as follows:

Vehicles and equipment	\$	52,264
Less accumulated depreciation:		
Vehicles and equipment		(6,411)
	\$	45,853

During the year ending December 31, 2011, the Town received a donated capital asset. This asset has been recorded at its fair value as of the date received and is included in the government-wide financial statements. The total value received and capitalized during the year is \$9,000 and is included in Land Improvements.

#### NOTE 7—DUE TO OTHER GOVERNMENTS

In accordance with State law, the Town collects taxes for the Exeter Region Cooperative School District, Kensington School District, and Rockingham County are independent governmental units, which are remitted to them as required by law. At December 31, 2011, the balance of the property tax appropriation due to the Exeter Region Cooperative, Kensington School Districts and Rockingham County is \$2,605,474.

#### NOTE 8—DEFINED BENEFIT PLAN

#### Plan Description

Д

The Town contributes to the New Hampshire Retirement System (NHRS), a cost-sharing multiple-employer defined benefit pension plan administered by the NHRS Board of Trustees. The plan provides service, disability, death and vested retirement allowances to plan members and beneficiaries. Benefit provisions are established and may be amended by the New Hampshire State legislature. The NHRS issues a publicly available financial report that includes financial statements and required supplementary

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

information for NHRS. That report may be obtained by writing to New Hampshire Retirement System, 54 Regional Drive, Concord, New Hampshire 03301.

#### **Funding Policy**

σΓ

Covered public safety employees are required to contribute 9.3% of their covered salary. The Town is required to contribute at an actuarially determined rate. The Town's contribution rate for the covered payroll of police officers was 14.63% through June 30, 2011, 20.57% July 31, 2011 and 19.95% respectively, thereafter. The Town contributed 75% of the employer cost for public safety employees, and the State contributed the remaining 25% of the employer cost, through June 30, 2011 and the Town contributed 100% thereafter. In accordance with accounting principles generally accepted in the United States of America (GASB Statement #24), on-behalf fringe benefits contributed by the State of New Hampshire of \$5,706 have been reported as a revenue and expenditure in the General Fund in these financial statements.

Per RSA-100:16, plan member contribution rates are established and may be amended by the New Hampshire State legislature and employer contribution rates are determined by the NHRS Board of Trustees based on an actuarial valuation. The Town's contributions to the NHRS for the years ending December 31, 2011, 2010, and 2009, were \$35,215, \$40,682, and \$37,306 respectively, equal to the required contributions for each year.

#### NOTE 9—LONG-TERM OBLIGATIONS

Payments on the general obligation bonds and capital leases are paid out of the General Fund. General obligation debt is a direct obligation of the Town, for which full faith and credit is pledged, and is payable from taxes levied on all taxable property located within the Town.

#### Changes in Long-Term Obligations

The changes in the Town's long-term obligations for the year ended December 31, 2011 are as follows:

	Balance 1/1/2011	Additions	Reductions	Balance 12/31/2011	Due Within One Year
Governmental activities:					
Bonds payable	\$ 675,000		\$ (40,000)	\$ 635,000	\$ 40,000
Capital leases payable		\$ 32,945		32,945	15,978
*************************************	\$ 675,000	\$ 32,945	\$ (40,000)	\$ 667,945	\$ 55,978

#### General Obligation Bonds

Bonds payable at December 31, 2011 are comprised of the following individual issues:

\$754,195 2008 Conservation Bonds payable in annual installments of \$35,000 - \$40,000 through August 2028; interest at 4.22%

\$ 635,000

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

Debt service requirements to retire general obligation bonds outstanding at December 31, 2011 are as follows:

Year Ending					
December 31,	<u>P</u>	rincipal	Interest		<u>Total</u>
2012	\$	40,000	\$ 30,163	\$	70,163
2013		40,000	28,163		68,163
2014		40,000	26,062		66,062
2015		40,000	23,962		63,962
2016		40,000	21,863		61,863
2017-2021		190,000	78,669		268,669
2022-2026		175,000	38,456		213,456
2027-2028		70,000	4,725	-	74,725
	\$	635,000	\$ 252,063	\$	887,063

As included on the Statement of Activities (Exhibit B), interest for the year ended December 31, 2011 was \$30,406 on general obligation debt for governmental activities.

#### Capital Lease Obligations

Capital lease obligations represent lease agreements entered into for the financing of vehicle and equipment acquisitions. These contracts are subject to cancellation should funds not be appropriated to meet payment obligations. Amounts are annually budgeted in the applicable function. Following are the individual capital lease obligations at December 31, 2011:

Vehicle lease, due in annual installments of \$9,466	
including interest, through December 2013	\$ 17,153
Vehicle lease, due in annual installments of \$8,553	
including interest, through March 2013	15,792
	\$ 32.945

Debt service requirements to retire capital lease obligations outstanding at December 31, 2011 are as follows:

Year Ending December 31,	P	rincipal	<u>I</u> :	nterest	Totals
2012	\$	15,978	\$	2,042	\$ 18,020
2013		16,967		1,052	18,019
	\$	32,945	\$	3,094	\$ 36,039

#### NOTE 10-INTERFUND TRANSACTIONS AND BALANCES

During the year, the General Fund directly pays for various items that are ultimately to be reimbursed from the applicable fund. These reimbursements due to the General Fund are reflected as an interfund receivable at year end.

# 2011 Auditor's Report Town of Kensington, New Hampshire

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

Interfund balances at December 31, 2011 are as follows:

		Due from	
		Other	
	General	Governmental	
	<u>Fund</u>	Funds	<u>Total</u>
<ul> <li>General Fund</li> </ul>		\$ 2,395	\$ 2,395

Conservation Commission		127,773	127,773
Assigned for:			
Continuing appropriations	869		869
Tax deeded property	19,507		19,507
Cemetery	1,467		1,467
Recreation	1,087		1,087
Library	40,505		40,505
Unassigned	266,565		266,565
	\$ 415,831	\$ 294,641	\$ 710,472

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2011

#### NOTE 13—RELATED PARTIES

During 2011, the Town signed a contract for road maintenance with Bell & Flynn. The road agent is an employee of Bell & Flynn. Total expenditures incurred during the year ended December 31, 2011 to Bell & Flynn were \$122,460.

#### NOTE 14—CONTINGENT LIABILITIES

#### Litigation

Д

The Town's general counsel estimates that any potential claims against the Town, which are not covered by insurance, are immaterial and would not affect the financial position of the Town.

#### NOTE 15-RESTATEMENT OF EQUITY

#### Fund Financial Statements

#### Governmental Funds

Effective January 1, 2011, the Town retroactively changed its method of financial reporting to conform to a recent pronouncement of the Governmental Accounting Standards Board (Statement No. 54). This new standard changes how fund balance is reported and changes the definition of the governmental fund types. As a result, the Expendable Trust Funds, Highland Farms Maintenance Fund and Library Fund, previously reported as nonmajor governmental funds of the Town, have been reclassified into the General Fund for reporting purposes. The impact of the restatement on the Governmental Funds is as follows:

The impact of the restatement on the governmental funds is as follows:

	General Fund	Expendable Trust <u>Funds</u>	Highland Farms Maintenance <u>Fund</u>	Library <u>Fund</u>	Nonmajor Governmental <u>Funds</u>
Fund Balance, January 1					
(as previously reported)	\$ 437,881	\$ 67,420	\$ 10,855	\$ 42,733	\$ 374,398
Amount of restatement due to					
conversion of GASB Statement No. 54:					
Expendable Trust Funds	67,420	(67,420)			(67,420)

See accompanying notes to the required supplementary information

TOWN OF KENSINGTON, NEW HAMPSHIRE NOTES TO REQUIRED SUPPLEMENTARY INFORMATION December 31, 2011

#### NOTE 1--BUDGET TO ACTUAL RECONCILIATION

ДГ

Amounts recorded as budgetary amounts in the Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual (Budgetary Basis) – General Fund (Schedule 1) are reported on the basis budgeted by the Town. Those amounts differ from those reported in conformity with accounting principles generally accepted in the United States of America in the Statement of Revenues, Expenditures and Changes in Fund Balances – Governmental Funds (Exhibit D). Budgetary information in these financial statements has been presented only for the General Fund as it is neither practical nor meaningful for other funds. Property tax budgetary revenues are recognized when levied rather than when susceptible to accrual. Budgetary expenditures were adjusted for capital lease proceeds, non-budgetary revenues and expenditures, on-behalf payments for fringe benefits, encumbrances and budgetary activity.

	Revenues and Other	Expenditures and Other
	Financing	Financing
	Sources	Uses
Per Exhibit D	\$ 1,516,666	\$ 1,659,724
Difference in property taxes meeting	200	
susceptible to accrual criteria	30,420	
Capital lease proceeds	(32,945)	(32,945)
Non-budgetary revenues and expenditures	(1,332)	(98,777)
On-behalf fringe benefits	(5,706)	(5,706)
Encumbrances, December 31, 2011		7,500
Encumbrances, December 31, 2010		(11,713)
Budgetary activity		95,273
Per Schedule 1	\$ 1,507,103	\$ 1,613,356

Incorporated: 1737

Origin: This town was once a parish of Hampton, and was incorporated in 1737 by Governor Jonathan Belcher of Massachusetts when New Hampshire was still part of that province. Of the 27 towns granted by Governor Belcher, only three were given names: Arlington, Peterborough, and Kensington, which was named for Edward Rich, Earl of Holland and Baron Kensington. England's Kensington, now a suburb of London, is the location of Kensington Palace, known for its beautiful public gardens. The palace was the birthplace of Queen Victoria, and the London home of Diana, Princess of Wales.

Villages and Place Names: Austin Corners, Brick School Corner, Eastman Corners, Five Corners, Lamprey Corners, Prescott Corner

Population, Year of the First Census Taken: 800 residents in 1790

Population Trends: Population change for Kensington was 1,416 over 50 years, from 708 in 1960 to 2,124 in 2010. The largest decennial percent

Borthwood

Deerfield Nottingham

Candia Rayri ond Epping Newmarkst Sectified Sections Section Section

change was a 47 percent increase between 1960 and 1970; the second largest was a 44 percent increase between 1990 and 2000. The 2010 Census estimate for Kensington was 2,124 residents, which ranked 135th among New Hampshire's incorporated cities and towns.

Population Density and Land Area, 2010 (US Census Bureau): 177.8 persons per square mile of land area. Kensington contains 11.9 square miles of land area and 0.01 square miles of inland water area.

لو

Chief Michael Sielicki as Kensington Police Chief. working with him. The Board of Selectmen of We are confident that Chief Sielicki will be a great fit for Kensington and look forward to the Town of Kensington is proud to appoint

Chief Sielicki brings the experience With 19 years experience of being a chief in New Hampshire towns, and skill set to serve Kensington.

## Officer Eric Young

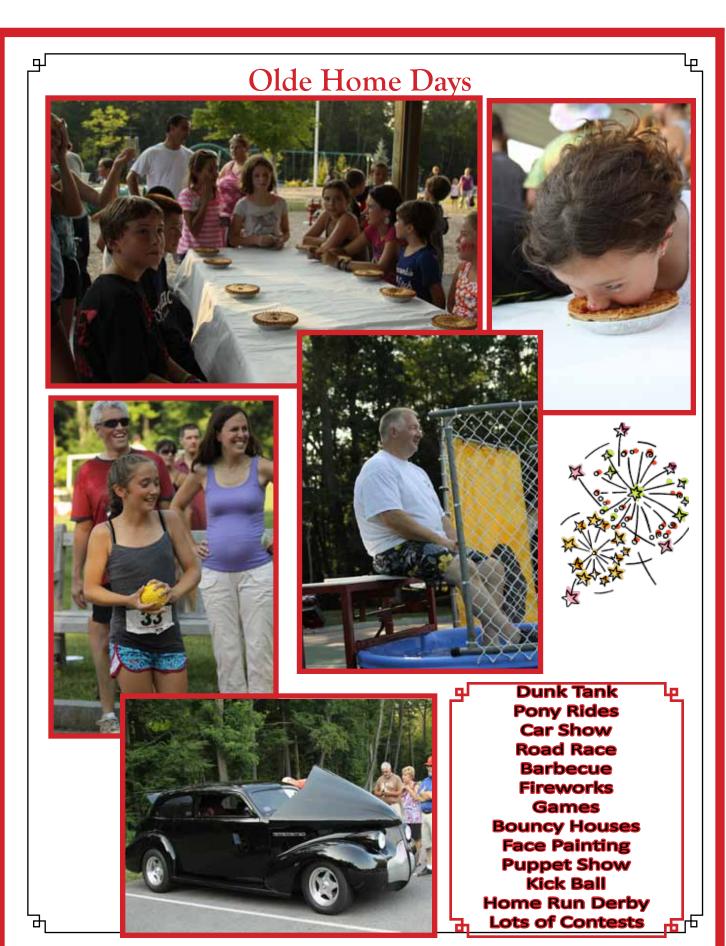

At this time I would like to congratulate and thank Eric Young for his years of dedication to the citizens of Kensington and to his country. Eric served fours years' active duty in the United States Navy then another twenty years in the Reserves. After his tour of duty with the Navy, Eric worked from 1976 to 2008 at the Portsmouth Shipyard. Eric joined the Kensington Police Department in April of 1994 and has served with distinction. Eric has not completely retired as many people think. Eric will continue to work for the citizens of Kensington in more of a reserve role in the future. Eric will assist at community events and during cases of emergencies. Eric's knowledge of the community is a valuable resource not only to me as a Chief but to other members of the department now and in the future.

Again congratulations Eric!

Chief Michael J. Sielicki
