Meeting Minutes- draft subject to board approval**

**THURSDAY
JUNE 16, 2016
4:15pm**

In Attendance: Bob Wadleigh, Peter Merrill, Norman DeBoisbriand

Peter opened the meeting at 4:20pm, Norman seconded, all in favor.

Non Public 91A:3,II(a,e): Peter motioned to go into non public session at 4:29pm, Norman seconded, all in favor. One employee and one legal matter were discussed.

Peter motioned to leave non public and permanently seal the minutes at 4:45pm, Bob seconded, all in favor.

The board then signed an invoice that was given to them earlier in the day for a vendor Andersen Painting.

The Recreation Department had contacted the board to ask about the use of bounce houses at the summer camp program and the festival. The board decided at the last meeting to contact the new insurance carrier and see if this would be a possibility. They stated that they would not insure the town's use of a bounce house, even with the company adding the town under their insurance, they were still skeptical as to the kind of coverage that would provide the town. The board decided as a whole to not allow the bounce houses for town use due to the fact that our insurance carrier will not insure them.

The board will also be seeking legal council's advice as to the new insurances coverage for the CIT's, as they are not town employees. The new carrier indicated that they will not be covered under the town's insurance because they are not employees. The board is looking to see if there is a waiver that could be signed for the CIT's to still be able to participate in the summer program.

The board received notice from the Cemetery Committee about a burial ground being located on the Old Brick School House property, they were concerned with the new subdivision proposed by Mr. Lambert and if that area would be disturbed. The planning board was made aware of the issue.

Norman made a motion to leave public session at 5:13pm, seconded by Bob, all in favor.

Respectfully Submitted,
