Discussion: Lambert's Development Water Diversion

Discussion took place about the water diversion plan as discussed at the Planning Board Meeting. Discussion took place about changing the culvert to a larger size that runs under Route 150. DOT didn't think that would be a problem. Bob made a suggestion to divert the water runoff to the east side of the Moulton Ridge Road. It was decided that Bob and David would talk to the engineer about this plan and get back to the Board.

Motion to close Public Session by Peter Merrill at 9:00 AM
Second to the Motion by Bob Wadleigh

Vote:

Norman DeBoisbriand Yes
Peter Merrill Yes
