Tuesday May 15, 2018  
Kensington Sawyer Town Park and Town Hall  
5:00pm  
Meeting Minutes-Approved 06/04/2018

In Attendance: Norman DeBoisbriand, Robert Wadleigh, Holly McCann, Chief Scott Sanders, Chief Jon True

The Joint Loss Committee will be meeting to do inspections on the following town owned properties.

Norman opened the meeting at 5:00pm, seconded by Bob, all in favor.

The group discussed the need to review the buildings. Chief True had done an inspection of the town hall earlier in the week and explained his thoughts to the committee.

- He had tested the doors in the building for fire code safety and they all passed.
- There are now fire extinguishers in the areas that need them.
- One exit light is not working and that will be fixed.
- Talked about the defibrillator for the town hall.
- The need for the Knox box to be installed giving emergency personnel access to the building in the case of an emergency. That will be decided upon and installed soon.

The board voted as a group to have Chief True do the inspection and report back to the group quarterly. The Town Park and the Grange will be on the list to do next.

Norman motioned to adjourn at 6:00pm, Bob seconded, all in favor.

Respectfully submitted,

Kathleen T Felch
