

## Kensington Sawyer Trust Agreement Minutes

Tuesday, October 16, 2018

Attendees: Glenn Greenwood, Donna Carter, Bob Long  
and Hez Marks-Mercadante

Meeting was called to order at 10:03am. Selectman Long spoke to the release of the draft agreement to the public. There was discussion of which agreement was the correct agreement that was sent to the lawyer. Ms. Carter brought to the attention of the committee that there is still a 20 year agreement but it was unknown whether or not it was still in force, which brought more confusion. It was discussed that before we could have conversations about the agreement that we would need to know more information about the *20 year agreement* and to get the current agreement that was sent and reviewed by the lawyer. Selectman Long agreed to do the research and get correct, current agreement to the committee members. Next meeting date was scheduled for Friday, October 19, 2018 at 10:00 am at Kensington Town Hall. Meeting adjourned at 10:37 am.
