

Kensington Conservation Commission

April 9, 2019

Members Present: Sydnee Goddard, Bob Gustafson, Pam Holland, Joan Skewes

Call to Order: 7:34 p.m.

1. March minutes approved as revised.
2. Motion made and approved for payment of \$275.00 to New Hampshire Association of Conservation Commissions, (NHACC), \$125.00 to Southeast Land Trust (SELT), and \$100 to Exeter River Local Advisory Commission, (ERLAC).
3. Brandon Kernen at DES did test the water at Kensington Elementary School. Results are not yet available.
4. Syd attended the Select board's meeting. The grant for the invasive species control at the town salt shed has been signed.
5. Vanessa Rosier, Selectperson attended the meeting. The Commission discussed the history of town trails and the trail committee. The intent is to document what the town has and what uses are allowed. Syd will provide list of easements to Vanessa.
6. The Commission and Vanessa discussed the recycling cost in town. The Select board would like a subcommittee formed to review recycling options. Pam offered to assist.
7. The Commission discussed the Community or Town Forest. Barbara Richter of NHACC has offered to come to the next meeting to discuss the town designating the land off of Route 108 as a town forest.

Meeting adjourned at 9:00 p.m.
