

Kensington Conservation Commission

August 24, 2021

Members Present: Sydnee Goddard, Bob Gustafson, Pam Holland, Andrew Roberts, Joan Skewes

Call to Order: 7:30 p.m.

1. Planning Board Reviews

Hog Hill – lot line adjustment has been approved.

O’Keefe, Wild Pasture/Osgood Road – has been approved. It will be up to the land owners whether the trails will be accessible.

Dow Lane – review is ongoing.

Hobbs Road – no information available.

2. SAU Property – new owners have agreed to conserve a portion of the property and they have been invited to a conservation meeting.

3. The Trail Committee has invited to attend a meeting as a check in.

4. Conservation Next Steps – Andy is reviewing information available for tracts of land as a means to prioritize potential protection projects. The Heritage Commission would like to work with the Conservation Commission. Pam Holland is reviewing the Municipal Conservation Guide Book for funding of conservation lands.

5. The Selectboard is looking at establishing a Wild Life Management Fund which would be used for beaver control and other wild life control.

6. The Conservation Commission received a plaque from SELT acknowledging the protection of the Moulton Ridge property off of Route 108 which will be placed in the town hall.

7. July minutes have been approved.

8. Meeting adjourned, 8:23 p.m.
