

Kensington Conservation Commission

August 11, 2015

Members Present: Sydnee Goodard, Bob Gustafson, Joan Skewes

Call to Order: 7: 30 pm

1. July minutes approved with revisions.
2. Phragmites on Route 150. No additional news or action.
3. Trails on Hodges Property. The Commission discussed the wetland crossing at Moulton Ridge, possibly using rip rap in the low area between the two hay fields and also on the slope on north side of stone path. Joan to go out to site on the slope to photograph area to further discuss trail rejuvenation.
4. Selectmen's Concerns about trails on town lands. The Commission discussed trails passing through private lands. If the town website posted trails it might invite extensive non-resident use. The Commission is willing to discuss this further with Selectmen.
5. The Commission reviewed a letter from NH Department of Environmental Services, Alteration of Terrain permit for Mueggler/ Rider property. Permit was granted.
6. The Commission members voted to contribute \$125.00 and \$125.00 for annual contribution to SELT and ERLAC.

Meeting adjourned.
