

Kensington Conservation Commission

September 15, 2015

Members Present: Sydnee Goodard, Bob Gustafson, Joan Skewes

Call to Order: 7: 30 pm

1. August minutes approved with revisions.

2. Pending Conservation Easements

Bodwell: Southeast Land Trust (SELT) is expecting the appraisal.

Schremp: SELT attended the Hampton Falls Conservation Commission meeting. The Hampton Falls Commission is in favor of the project but not all members attended the meeting.

The Commission discussed other potential easements. The Commission plans to meet with family members and have a site walk.

3. Trails

Bob attended selectmen's meeting. Citizens concerned that trails are showing up on Google Maps on private land. The Conservation Commission has not been involved in creating trail maps on private land, only town owned land.

4. Mail

The Commission reviewed the monitoring report from Rockingham County Conservation District for Cole property on Stumpfield Road. Report indicated property appeared in good condition and restrictions being adhered to.

The Commission reviewed a letter from the New Hampshire Association of Conservation Commission (NHACC) informing the status of legislation, policies and administrative rules. NHACC also provides administrative support, education, and technical assistance to conservation commissions.

Meeting adjourned 8:30 p.m.
