

Recreation and Social Committee
Minutes from meeting 12/1/2020 4:30pm

In attendance: Bob Solomon, Donna Carter, Lili Spinosa Jessica Minghella

Discussed:

Chief True with assistance from the library will organize the fire engine and Santas drive around on December 20th. They are mapping out the routes and times. We are still in need of Santas. We would like 3 Mr. & Mrs. Clauses. We have one set as of now.

The Felches would like to figure out a different day to be up at the school parking lot for a more personal drive by for the children. They will be on the side and the children can safely distance themselves in their cars. They will have a container out for the children to drop off their letters for santa. The date and time is still to be determined. Also, we will need to get permission from the school to use the parking lot.

The possibility of fireworks on New Year's Eve.

The Recreation and Social Committee has the money to cover the cost of fireworks. We are concerned with comments on FB after Thanksgiving fireworks. The committee will work on getting the information out so community members can prepare their animals for the noise.

Proposed date: New Year's Eve at 6:00 pm

A vote was taken to move forward with the fireworks

Jessica Minghella - yes

Donna Carter - yes

Lili Spinosa - yes

This will be presented at the selectmen's meeting for approval.

We will meet every 2nd Wednesday of the month @ 7:00pm

We discussed the Father Daughter dance, and felt it was too early to make decisions on that event. Hopefully we can have it at some point this year.

Respectfully submitted
