Summer Camp 2021:

Jen Macek, Coordinator and Catherine Bannister, Director continue to work diligently on plans they conveyed at the February 10, 2021 meeting for opening camp safely, following all the COVID regulations. Registration for camp is now open. Please refer to the Town website for the most recent information. The Trustees of Sawyer Park have indicated there can be a tent set up and remain for the summer for the campers and counselors. The decision to reopen and sanitize the bathrooms for the campers/public is still in question at this time; this needs to be approved by the Trustees of Sawyer Park. Jen and Catherine continue work on and develop various scheduling possibilities to keep cohorts smaller and COVID safe. The numbers of counselors needed depends upon the number of campers registered; the budget will also be determined by this information. The budget needs to be approved by the selectmen. The current information is posted on the Town Website and can be viewed in Kensington Connect. The counselors will receive COVID training; taking temperatures, hand washing, sanitation, etc. At this meeting, the counselor/camper ratio is 2 counselors to 10 campers. July 12, 2021 is the projected beginning date of camp. Please refer to the Town Website that Jen & Catherine have posted.

Other Business:

Discuss and think about COVID safe spring activities for the town. Please share your ideas with members of the committee.
