

Kensington Board of Selectman Minutes

October 17, 2022

Date: October 17, 2022

Place: Kensington Town Hall

Members Present: Joe Pace- Chair, Bob Solomon, Bob Gustafson

Opening:

Mr. Pace opened the meeting at 6:30 p.m.

Recreation Committee Comment:

Sarah Turcott-Hall was present at tonight's meeting to explain the winter ski program. She explained that the Recreation Committee would be doing two separate ski programs for the kids. She explained that they will be offering a 5-week program with McIntyre Ski Area in Manchester, which is geared to the younger kids. Similar to last year, the parents would drive the children to the mountain and they would also pay the mountain directly.

She explained that the other option is a 5-week program at Pats Peak which will be a separate night, this program is for 3rd graders and older and again, the parents would pay the mountain directly. She added that the town would cover the cost of the busing to Pats Peak out of the Recreation Revolver account. She noted that the registration will be opened to Kensington residents first and then a week or so later, the registration will open to outside residents. She noted that outside residents will have to pay \$50.00 to the town of Kensington for the cost of the busses.

Mrs. Turcott-Hall added that all the participants will be signing a town waiver to participate in the program.

Mr. Pace asked if there is liability on the town and if chaperones should have a background check? Mrs. Turcott-Hall said that there will be no background checks done similar to the school. She noted that the waiver covers the town from all liability if an accident should occur. Mr. Gustafson asked if the out-of-town kids are covered as well. Mrs. Turcott-Hall said they would as they are also signing the waiver.

Mrs. Turcott-Hall noted that the cost for the bus to pats peak is \$3,700 for the 5 weeks, hoping to replenish a majority of the funds from the out-of-town kids cost. She also noted that she will be making an online registration form and this will also serve as a test run for the summer program registration for next year.

The board had no issue with the proposed ski program.
