Meeting Minutes- APPROVED FEBRUARY 1, 2021
2:45pm

In attendance: Joe Pace, Kathleen Felch, Carlene Wiggin via zoom Vanessa Rozier and Bob Solomon

The meeting was opened at 2:45pm.

NEW BUSINESS:

•TAX RATE SETTING

The board discussed the tax rate setting process and the difference in the revenues compared to last year. The state had informed Kathy that not all the grant funding would be allowed to offset the expenses voted in last March because some of them were stipends and other forms of funding. There were some accounts that showed a significant decrease in funds and others that were in line with last year. School funds were not the same as previous years due to additional expenses from COVID-19. Due to this difference the board voted to use \$100,000 to offset the tax rate bringing the calculated rate from 20.80 to 20.55.

Other funding sources to offset the rate that were affected were the motor vehicle and Rooms and Meals.

Bob voted to expend \$100,000 from the fund balance, Vanessa seconded. All in favor.
