Site Visit Kensington Town Hall
Parking Lot
September 22, 2014

Attendance:

Norman DeBoisbriand

Peter Merrill

Bob Wadleigh

David Buxton

A review of the site (parking lot) was conducted and various measurements were taken to see if a double wide trailer could be sited. It was determined that the site was large enough to accommodate a double wide. A motion was made by Norman DeBoisbriand to contact well companies to get a bid on bringing water to the temp site from the Town Hall. The motion was seconded by Peter Merrill and a vote was taken with all in favor. A second motion was made by Peter Merrill to contact Peter Landry to secure an approval from the State to put in a holding tank for the septic. The motion was seconded by Bob Wadleigh and a vote was taken with all in favor. It was agreed on by the selectman that Norman would make the contacts. A motion was made by Norman to adjourn the meeting it was seconded by Peter Merrill; a vote was taken with all in favor.
