New Construction: Underground Service (3 Inspections)	\$265.00
New Service or Service Upgrade (2 Inspections) (All new services and upgrades require two inspections: one before the utility company can connect to it; and one after the service changeover has been performed.)	\$180.00
Addition (2 Inspections)	\$180.00
Renovation (2 Inspections)	\$180.00
Swimming Pool/Hot Tub/Spa: In Ground (2 Inspections)	\$180.00
Swimming Pool/Hot Tub/Spa: Above Ground (1 Inspection)	\$95.00
Additional Sub Panel (1 Inspection)	\$95.00
Generator (1 Inspection)	\$95.00
Solar Panels (1 inspection)	\$95.00
Manufactured Housing (1 Inspection)	\$95.00

Notes:

- ❖ Commercial Building permit fees will be determined by the Building and Electrical Inspectors at the time of Building Permit application.
- ❖ If the Electrical Inspection fails and the Electrical Inspector is required to return to the site, an additional \$95.00 will be charged to the Owner/Tenant.
- ❖ The above fees include a \$10.00 filing fee for the Town of Kensington.
