

DRAFT DRAFT DRAFT

Kensington Conservation Commission

October 1, 2019

Members Present: Sydnee Goddard, Pam Holland, Joan Skewes

Call to Order: 7:37 p.m.

1. 152 Drinkwater Road. The Conservation Commission worked on drafting recommendations for consideration to be presented to the Planning Board.

2. Hodges Conservation Area –

Beaver Activity -there is beaver activity adjacent to where the Commission discussed installing a pedestrian foot bridge over wetlands. The activity is impeding this work.

Recommendations have been made to trap the beavers. The Commission can obtain a list of licensed trappers from the NH Fish and Game.

Haying Agreement – the agreement was signed by Chris Batchelder and the Select board.

3. Properties in and adjacent to the Great Meadow and Hodges Conservation area.

Syd discussed with Select board that there are land owners who expressed interest in donating lands. Syd contact SELT about costs, SELT suggested trying to bundle as many properties as possible to reduce cost. The Commission reviewed tax maps and the property locations. The SAU has expressed interest in selling land they own in Kensington. Syd will direct the SAU to the SELT.

Meeting adjourned 9:30 p.m.
