

TOWN OF KENSINGTON
Conservation Commission Meeting Minutes
KENSINGTON TOWN HALL
95 AMESBURY ROAD
KENSINGTON, NH 03833
MEETING MINUTES

KCC Members: Pamela Holland, Sydnee Goddard, Robert Gustafson.

Others Attending: Andy Roberts (resident), Vicki Brown (EKCC), Marghi Bean (Pollinator Pathway Founder).

Pollinator Pathways: Vicki Brown (Guest Speaker)

A cross town effort to connect pollinator species with the habitat they need to survive. Why? Loss of insects and that impacts birds, etc.

Requests: Find Liaison
Educate Residents
Collaborate with Pollinator Pathway.

Sydnee commented about Climate Action Day at PEA. Perhaps Pollinators workshop on campus that can happen early? April.

This will have further discussion at the next meeting.

Beavers/Hodges:

Pam emailed about Hodges trapping Beavers in spring. Will follow up with call to Jim. Vanessa to provide info on additional Beaver problem areas in Kensington. Further discussion to continue at the next meeting.

152 Drinkwater Meeting:

Owners have postponed Zoning Board Meeting until March.

2 Warrants on Town Ballot:

Moulton Ridge Property – Route 108 Access

White Parcels – 1 abuts Hodges Conservation Land. The other Great Meadows (wetland).

Need to draft a letter of explanation to explain the article and the value of properties.
Why do we need a 3rd party to maintain the easement? Why do we need a conservation easement?
Share property pictures.

Other business: Andy Roberts to join as a member. Motion by Sydnee Goddard, seconded by Robert Gustafson.

Meeting adjourned at 9:15 pm.
