

Kensington Conservation Commission

November 17, 2015

Members Present: Sydnee Goodard, Bob Gustafson, Joan Skewes

Call to Order: 7: 30 pm

1. October minutes approved with revisions.

2. Pending Conservation Easements

Bodwell: additional appraisal may be available this week. Grant application for funding has been approved by NRCS for approximately one half the project.

Other potential easement: SELT is in favor of going forward due to high quality of farm soils. The Commission voted in favor of paying 1/3 of the appraisal.

3. Route 150 Phragmites

The Commission reviewed the property map. The Town owns most of the property. The Commission discussed making contact with agency to discuss phragmite control.

4. Joan discussed seeing motorized vehicle on Meeting House Hill property. Commission discussed additional signs that were placed on property designating approved uses had been removed. Commission to contact abutter about knowledge of extent of motorized vehicles.

Meeting adjourned 8:35 pm
