BLASTING PERMIT APPLICATION

Application is hereby made to obtain a permit for blasting operations in the Town of Kensington, New Hampshire. All operations shall be done to current Federal, State (SAF-C 1600) and local (NFPA 495 Explosive Materials Code) regulations and standards. No blasting operations shall begin until a permit is secured from the Fire Prevention Division. **The permit must be obtained 24 hours prior to work.**

The following items shall accompany this application before a permit can be issued:

- ☐ Certificate of Liability Insurance allowing work in Kensington, N.H.
- ☐ A legible copy of operators blasting license and current driver's license
- ☐ A list showing maximum amount and type of explosives & detonators that will be on site (on back of application or attached)
- ☐ Scaled distance or vibration instrumentation (circle one)
- ☐ Check payable to the Town of Kensington, N.H. for \$25.00 (good for 1 site/job only)
