## Heritage Commission News

Greetings! The Heritage Commission has little news as we've been staying home like everybody else and haven't met for the last two months. However, we will be meeting via Zoom on **Wednesday, May 27<sup>th</sup> at 6:15**. Check the Heritage Commission page on the Town website for the link to the meeting and join us if you'd like! (We'll also post it on our Facebook page.)

By the time you read this, our secretary, Meaghan Gross, will be holding her new twin baby girls as she is due to deliver them any moment now! Welcome to Kensington's newest residents. They'll be joining the Historical Society and Heritage Commission soon I'll bet!

If you've got a touch of Covid Cabin Fever, we have a nifty way for you to get a wee bit of fresh air and exercise and learn more about our wonderful **Town Center** while you're at it. You may remember that we made a **Walking Tour Booklet** for the Plan NH Charrette? Well it's still available. You can go to a link and download it so you could either print it or look at it directly on your smart phone or tablet. There will also be a few copies at the Library in a bin on the porch. You can take one, and keep it if you'd like, or put it back when you're through for others to use. (Please use the hand-sanitizer and will be safe again.)

Be careful of the traffic, practice social distancing and have a great time! We are so blessed to live in a community with both woodland trails and historic buildings to explore.
