Jen Macek Klrby: Summer Camp Coordinator 2021

**Summer Camp 2021:**

Jen Macek, Coordinator and Catherine Bannister, Director have been diligently working on plans to safely open Summer Camp 2021 at Sawyer Park. They have met with Chief True for his guidance and recommendations on sanitation, washing hands frequently, using art materials, etc. There was discussion in regards to setting up a tent for protection from the sun and also in case it rains. The Trustees of Sawyer Park will make the decision if it is possible and where the tent could be set up. The decision to reopen and sanitize the bathrooms for the campers/public is still in question; needs to be approved by the Trustees of the park. Jen and Catherine are working on the registration and updating the other forms that will be needed; tentative scheduling possibilities will be developed to keep cohorts smaller and COVID safe. The numbers of counselors needed will also depend upon the number of campers registered; the budget will also be determined by this information. This will need to be approved by the Selectman. When Jen and Catherine have more conclusive information, it will be posted on the Town Web Site. Thank you Lili, Jen and Catherine.
