

Sawyer Kensington Trust Minutes

Wednesday, May 1st, 2019

In Attendance: Mike Del Sesto, Bruce Cilley, Donna Carter and Hez Marks-Mercadante

Meeting called at 7:13pm

Public Forum: Dan Sweet from KYAA in attendance. He wanted to talk about how he could lend assistance with the bathroom challenges. With much discussion, Mike made a motion to hire Home & Planet to clean the bathrooms for the foreseeable future provided they can clean bathrooms Saturday evening. Hez 2nd. $\frac{3}{4}$ vote. Bruce will call to discuss and hire.

Dan will talk to all coaches about night games for lights and get back to Mike. He has not heard from Mike Spinoza about dugout on Field C or when it will be finished. He will contact him and let Bruce know. Lastly, Dan asked if, with the world that we live in, have we found drugs or paraphernalia at park. The answer, No. With our current landscapers who take much pride in our park, they are constantly walking the park and maintaining, and they have never said anything. We have had no reports.
