

Kensington Park and Social Committee Minutes

April 11, 2018

7:00 PM

DRAFT

No public present

Members present: Donna Carter, Linda Blood, and Elaine Bodwell

Summer Camp counselor applications are coming in, as well as Camper Registrations. They will be reviewed at the next meeting. The Camp Brochure has not yet been distributed at school, as we are awaiting approval to distribute from SAU office. It has been applied for, but no response at this time.

Further discussion for Kensington Old Home Days took place. Donna will talk with Bruce Cilley about food donation from the Farm, in hopes of explaining the committee will also be providing food choices as the farm is not expected to donate all the food needed. Donna has a list for how much purchased food was consumed at last year's get together which will be very helpful for this year's planning.

Jean Waldron from the church was not able to attend but will let us know what the church activity will be doing. In the past they have had a bake-off contest. It is hoped other town organizations may have ideas and would like to take part with offerings for the day.

Donna may be out of town the day of the event but had been responsible for the pie eating contest in the past and has information about how many pies have been purchased in the past and how popular the event has been.

Some offerings have already been contacted and reserved for Friday and Saturday-such as a music group and fireworks.

The meeting ended at 7:55 PM.

The next meeting will be held on May 9th at the Kensington Town Hall at 7:00 PM.
