

## **Kensington Park & Social Committee**

### **Minutes of Meeting - Draft**

**June 13, 2018**

#### Attending:

Donna Carter

Linda Blood

Holly McCann

Linda Bennett, Guest

Meeting was called to order at 7:00 pm

Committee recognized Linda Bennett, town resident. Linda was in attendance to speak about her efforts to host/lead Town trail hikes. Her last scheduled hike is coming up on June 16, 2018. She is contemplating a "fall season" of hikes and was wondering what support the Committee might be able to provide – such as posting information on our calendar or Town site for the hikes. Linda was not interested in joining the Committee but would consider serving in a volunteer capacity for the purpose of the trail hikes. Committee thanked Linda for attending, committed to discuss this further in the fall and see what might be possible.

#### Summer Camp

Updated registration numbers were provided. Camp Counselor Orientation is scheduled for June 18<sup>th</sup> with Holly and Jon True attending to discuss Health, Safety and Emergency Management topics, as well as general administrative topics. Two financial scholarship applications have been received by Town Assessor's Office and will be handled in the existing policy fashion according to Linda Blood. Summer Camp Director Quimby was not present for this meeting but had submitted a request for eight field trips (representing one per week of camp) that are in addition to the beach day trips. The Committee discussed the trips, cost, and whether the Camp would be in a profit or loss situation if the trips were approved. An analysis will be performed and then matter will be taken to the BOS at their next meeting for them to make final decision since this cannot wait until our July Committee meeting.

#### Annual Festival

Planning is on track. Still need volunteers for events during the weekend. Donna shared that Russell Perry Family is planning on hosting the pancake breakfast on Sunday. She also has a volunteer to coordinate the pie eating contest on Saturday. Holly is working with Jean Waldron to continue the bake off contest tradition since no church members can attend this year. We will see who is working with the Library to coordinate the bike parade.

Prior to adjournment, Donna spoke before the Committee about the adult basketball program start date, last reporting date, that is not associated with KYAA, and her feeling that information shared previously was mean spirited and not true.

Meeting was adjourned at approximately 8:00 pm. Recorder of minutes apologizes for not noting exact time. Next scheduled meeting is July 11, 2018 at 7:00 pm.
