

Recreation Committee Meeting

August, 13, 2014

[7:00pm](#) Donna Carter Realty

Present at Meeting: Sarah Hoffmaster, Jodi Lefebvre, Donna Carter, Janet Bunell

Halloween Party

- Concerns about the number of people on The Farm loyalty list and email invite being sent to all of them for the party. We are trying to keep the event a Kensington Event and with this many additional invites we would need additional staff from The Farm/Pinnacle, funds, hay carts, drivers, and food. **Jodi** to send an email to Carol letting her know that our Committee can have a maximum of 200 people in attendance with the current resources and funds that we have available. Anything over that The Farm/Pinnacle would need to provide additional staff, hay carts, drivers, food, and funds
- **Sarah** to check with Church member about Apple donations for the party
- Selectman Meeting [on Monday, August 18th at 7:30](#) - Alan Lewis letter and donations to be discussed. **Leslie**, where are we at with the letter regarding the Fireworks donations?

Holiday Tree Lighting & Stroll

- **Jodi** to talk with Jean Waldron at Church
- Tentative Date: [Sunday, November 30th at 5pm](#)
- Idea: Start at park, have a hay cart transport people from park and make a stop at library, fire station, school & end at church. Lights to be lit at each stop (in years past there has been singing? we did not discuss this tonight)
- Refreshments and Goodies at church
- Once confirm date with Church, **Donna** will talk to Felch's/Fire Station about Santa coming to town

Senior Social

- Tentative date, [November 4th 10-2pm](#) at the Library
- Providing Seniors in Town with tea, pastries and a place to come together
- Voting day is that day so making it an easy and fun morning out for them
- **Sarah** to talk with Historical Society and Library about invites, date, time and working together on this event.
- **Jodi** to talk with Jean Waldron & Church about working with us on this event as well.
