Donna Carter, Member

Holly McCann, Member

Linda Blood, Member

Jeanne Waldron, Liaison to Kensington Congregational Church - Absent

## **Discussion**

In reviewing the Father/Daughter Dance in February, we discussed the photos taken that evening by Rec Committee members, as well as Photo Booth vendor, and what might be done with distribution of those pictures, while preserving any privacy and parental rights issues related. Donna was going to talk to KES to see what policy they have in place at the school. The Rec Committee would like to share the photos with families, either through a KES process or directly. There was also discussion of being able to use the photos to promote the Rec Committee events for future.

## **Upcoming Church Events**

Easter – Egg Eggstravaganza. Date will be 4/15/17 – from 9 to 11 am. Need to determine whether it will be held at KES (as in past) or at Sawyer Park. Need to determine whether the KYAA or EJBL will be using the ball fields that day creating a conflict with our event.

Refreshments, snacks, egg hunt, goodie bags, and Easter Bunny character were discussed.

Holly will contact Leslie and determine volume of gift bags required and then will make them up. Donna will search for past flyers utilized from her computer and provide that. Holly and Norm will attempt to fix the banner wooden frame so that we can use them. In prior years Jodi LeFebvre ordered the banner signs over the internet. Holly will search in bunker for any left overs and see what is there.

## **Potential new Rec Committee Member**

Holly had received an email forwarded from Kathy Felch from Randy Bandoian from Kensington. He and wife are interested in volunteering and perhaps becoming members of Rec Committee. Holly had sent a reply inviting him to come to next Rec Committee meeting. She will also ask him if he wants to help out at Easter event.

## **Old Business:**

Holly still working on the revisit of insurance rider or form of available coverage for our events where want some equipment or bouncy house.
