Dear Ms. Rozier,

On behalf of our client, Connor Lincoln, Jones & Beach Engineers, Inc. respectfully requests a continuance of the pending application for the above referenced parcel from the March 20th meeting to the April 17th meeting. We are asking for a continuance to allow us time to attend a ZBA hearing. The applicant updated the plans as required by the Planning Board and Conservation Commission and provided these updated plans to the ZBA. The Zoning Board required the updated plans be reviewed by the Conservation Commission and Town Engineer. In addition, the ZBA allowed the application to be withdrawn due to an error on the application. This requested continuance will allow the applicant time to resolve these issues.

Please contact me if you have any questions. Thank you very much for your time.

Very truly yours,
JONES & BEACH ENGINEERS, INC.

Barry Gier, P.E.
Vice President
