RE: Fee increases

Due to the proposed budget failing the Kensington Police Department would propose increasing fees to maintain the default budget for 2024. The Kensington Police Department will have to adjust cost for requested reports such as accident, arrest, and incident reports. Many of the requested accident reports are requested and sent directly to the insurance companies. These costs will offset the increased cost that was included in the proposed budget that failed. The cost increase will assist with office materials, for example paper and printer ink toner and USPS mailing.

I also propose an increase to the police detail rate for the police cruiser cost per hour. The cruiser fee will increase from \$15.00 per hour to \$20.00 per hour to assist with fuel cost in 2024.

I, as Chief of Police for Kensington Police propose the following increase.

1. Accident, Incident and Arrest reports Increase from:
  - \$15.00 to \$25.00 for the first 25 pages
  - \$30.00 up to 50 pages
  - \$35.00 up to 100 pages
  - \$45.00 up to 200 pages
2. Copies of reports and pictures on CD Disk and thumb drives: \$35.00.
3. WatchGuard Body Camera footage on CD Disk and thumb drives: \$45.00
4. Detail Cruiser fee from \$15.00 per hour to \$20.00 per hour.
5. FBI Employment finger printing with providing fingerprint card: \$15.00.
