BURIAL PERMISSION FORM EXPLANATION

Possession of the Right to Burial for a plot in the Kensington Cemetery grants the possessor ("Possessor") the right to determine who may be buried in the plot up to the limits of the available space as determined by the Kensington Cemetery Trustees. The Possessor may grant permission for burial to himself or herself, or anyone of their choosing, regardless of relation to the other individuals buried in the plot. Persons granted permission for burial by the Possessor for an existing plot do not need to be residents of Kensington.

The Possessor may also grant permission for future interments in advance of death by filling out the form below.

Anyone named on the below form is presumed permitted to be buried in the plot unless the Possessor contacts the Cemetery Trustees and alters the list of permitted persons.
