## TECHNICAL REVIEW REQUEST- DIRECT PAY METHOD Authorization for RCCD Acting as Town Agent

**Instructions:** FIRST confirm the review is required by the town and the town uses the Direct Pay Method. For fastest service, COMPLETE OUR ONLINE FORM at [www.rockinghamccd.org](http://www.rockinghamccd.org) click **Request Technical Review** in the header. **If you do not have computer access**, check off the requested services and submit this completed form to RCCD along with your prepayment for the full costs of services. Payment in full is required prior to scheduling. For hourly work other than subdivision and test pits, please contact the town first. You will be requested to prepay the amount of the estimate. Any charges not used will be refunded. If additional work is needed beyond the estimate, it must be prepaid prior to initiation. **RCCD works as an agent for the town. All reports will be addressed and issued to the town.**
