

Board of Recount
Kensington, NH
Wednesday, March 16, 2002
Minutes

Present:

Harold Bragg, Moderator

Sarah Wiggin, Town Clerk

Joe Pace, Selectman

Bob Solomon, Selectman

Bob Gustafson, Selectman

The Board of Recount was called to order at 10:00am by Select Board Chairman Joe Pace. Mr. Pace read the enabling statutes for the Board of Recount and noted that the Board was convened specifically to hand count the ballots relative to Article 21 from the Town Election held on March 8, 2022.

Town Moderator Harold Bragg outlined the procedure that would be followed for the count. Observers were permitted to enter the counting area and seat themselves alongside the counting tables. One observer was not a resident of Kensington, but the Board of Recount had no objection to his inclusion. Town Clerk Sarah Wiggin opened the box containing the ballots, and the Board of Recount conducted the hand count.

Upon completion of the count, Mr. Bragg announced that relative to Article 21: To see if the town will ban the use of voting machines in Federal, State and Local elections, the hand count produced a result of Yes 171, No 309, Blank 37. This result was identical to that produced by the ballot counting machines at the conclusion of voting on March 8.

With no further business to conduct, the Board of Recount adjourned at 11:28am.

Respectfully submitted,

Joe Pace
